Hello Everyone!

We are proud to announce that we have completed the AREA/CBRE annual joint report. This year we have created a digital version of the 2023 Greater Albuquerque Talent and Industry Profile.

This version can be accessed here:
DIGITAL VERSION: www.abq.org/talentreport or direct link https://indd.adobe.com/view/82b45fcf-b8c6-435e-b1c9-1e7390f15cef
I would highly recommend using the above links as much as possible. You can provide either of these URLs to your clients or include in newsletters, proposal, promo material, etc. The benefit of using this version is that it has a lot of animation and video incorporated. Also, the PDF is somewhat large and might be difficult to email.

INTERACTIVE PDF: If you need the interactive PDF version (excluding video or animation) it is attached to this email. This PDF can also be emailed to clients, but please drive as much traffic to the digital version as possible.

PRINT VERSION: I also have a version that is appropriate for printing (excluded video, interactivity and animation). If you need that version please let me know.

SOCIAL MEDIA: I have attached a social media image to this email as well. If you would like to post this on your linkedin please use the image attached and something similar to below for the narrative:
CBRE and AREA are proud to unveil the 2023 Greater Albuquerque Region Talent & Industry Profile. This report outlines all the exceptional opportunities our region has to offer. Check it out at abq.org/talentreport
