**READ:** Mark 4:35-41

### Discussion Questions

**Question 1:** How have you seen the storms of life impact you or people you know? Was the impact positive or negative?

**Question 2:** What benefit is there to having Jesus and people you trust in the boat with you, going through life's struggles with you?

**Question 3:** Jesus was literally in the boat with his disciples, and they were still overcome with fear. And we are just like them. Even with Jesus on our side—in our boat—why do we still become afraid?

### Challenge

Who do you know that is going through a storm and needs Jesus in the boat with them? What can you do about it?

### Pray

Pray for each other, especially anyone going through a storm. And pray for those who need Jesus in the boat with them. His presence is life-changing.
