Request for Qualifications No. RFQ26-TIC-006
ADDENDUM #1 – Questions and Responses No.3
Date: July 17, 2025

Q1:
Would it be acceptable to submit some categories before the initial intake and the remaining categories at a later date?

A1:
Yes, but the other submissions will not be evaluated until the next bi-annual intake, which is TBD at this time.

Q2:
The Technical / Construction Support category includes 10 different disciplines. Should we submit a separate form for each discipline within this category?

A2:
No, please only submit one Appendix A for the **Technical / Construction Support category.**

Q3:
For the Quality Management category, are the services exclusively related to construction work, or do they also encompass technical, engineering, or design services?

A3:
The Quality Management category is to support an Owner's team through the planning, design and construction of a major infrastructure project and could encompass all of the above.

All questions submitted by July 17, 2025, are included in this document.
