Content Summary: Question & Answer

A bidder has made the following question(s), and the Department has provided the corresponding response:

Bidder Question/Concern 1: Crew utilization: Will both crews be required each workday, or will the second crew be called as needed?

Department Response 1: per page TC-1, 2 crews will be required to report each day

Bidder Question/Concern 2: Signs and devices: Will NCDOT furnish the signs, cones, and other traffic control devices, or is the Contractor responsible for furnishing them? TC-2 requires the Contractor to remove, transport, and set up advance warning signage when relocating, but the proposal does not state who furnishes it.

Department Response 2: All required signs will be provided by the Department, with the exception of the Pilot Car sign.

Bidder Question/Concern 3: Pilot vehicle: Beyond the strobe light system and "PILOT CAR FOLLOW ME" sign, are there minimum requirements for the light bar, sign size, or mounting? May the pilot vehicle also serve as the crew's transport vehicle?

Department Response 3: In accordance with the *Manual on Uniform Traffic Control Devices* (MUTCD) the "Follow Me" sign shall be 36" x 18", and the pilot car may also serve as the crew transport vehicle.

Bidder Question/Concern 4: Spare vehicle: May the Contractor keep a spare vehicle parked at the Henderson County Maintenance Yard, 693 Mountain Road, to cover breakdowns and avoid mobilization delays?

Department Response 4: A spare vehicle will be allowed at maintenance yard.

Bidder Question/Concern 5: Invoicing: Will the Engineer approve invoicing on a two-week interval rather than monthly?

Department Response 5: The Engineer will approve invoicing on a two-week interval.

Bidder Question/Concern 6: Weather: When maintenance operations are cancelled due to weather before the crews report, how much notice will be given, and does the two-hour minimum apply if crews have already reported?

Department Response 6: Crews are expected to report each workday. Crews will be notified upon arrival or within the 2 hour minimum daily work hours. Per page TC-2: Personnel, reporting at the designated time and location, will be paid a minimum of two (2) hours per shift, or the actual number of hours of work, whichever is greater.

These revisions do not change bid items or the associated quantities.
