

PRODUCT CHANGE NOTIFICATION

Pre-Notification Final Notification

PCN Number:

PCN20110725A.DOCX

Micropac Part Number / Description:

53124 - Solid State Relay

Description of Change:

Electrical Specifications Physical Dimensions Test Method

Qualification of alternate output power MOSFET.

Reason For Change:

Provides multiple sources of qualified MOSFETs.

Change Effectivity:

1141

Qualification Plan & Results:

MOSFETs subjected to MIL-PRF-38534, Class K element evaluation. Solid state relay (53124) subjected to MIL-PRF-38534, Class K QML level qualification.

Qualification is underway with completion expected by the end of September 2011.
