Notice 24PQRAFD700
Notice to Fixed Wing Companies
Casual Charter Fixed Wing Contract

In the event the Province requires fixed wing services for emergency operations and activities related to the operations, the Ministry of Forestry and Parks will enter into casual hire contracts with fixed wing companies to deliver those services. The term "casual" means the aircraft will be hired on an as-needed basis with no guarantee of work. Contracts are signed with all qualified aircraft companies who would like to conduct business with the Province. The current casual fixed wing contract is set to expire on March 31st, 2024. Contracts for the 2024-2029 term are now available.

To set up a casual charter fixed wing contract, please contact the Aircraft Accounts section by email at wf.awhq-aircraftaccts@gov.ab.ca with the following information:

- Indicate you would like to set up a 2024 – 2029 Casual Charter Fixed Wing Contract
- Provide Legal Name of the Company
- Provide Mailing Address
- Provide the name and position of the individual authorized to enter into the contract on behalf of the Company
- Provide copy of Certificate of Incorporation

The Department requires all paperwork to be appropriately signed, delivered, and validated before the company's contract is in effect. The Department will not be held liable in the event the company does not have a valid agreement in effect and loses an opportunity for work.

Any questions or concerns regarding this process, please contact Jesse Baron at (780) 292-2094
