Motorola PMMN4065AL

Microphone for APX Series Radio

The Motorola PMMN4065AL Impres Microphone for Motorola APX Series two-way radios is an IP57 rated windporting microphone. Microphones feature an emergency button, an aux button and a windporting microphone so you're heard clearly in all environments. The Motorola PMMN4065AL is waterproof and is guaranteed to withstand a five-foot drop on concrete. Motorola PMMN4065AL remote speaker mics are covered by a one-year warranty.
