** Includes all Specifications referred to in the stated Specifications and Special Provisions.*

The Total Amount of Bid shall include all taxes including the Provincial Sales Tax. No additional payment will be made above the contract unit prices to cover taxes paid by the Contractor.

The taxes quoted in this Bid are for evaluation purposes only and do not limit the Bidder's responsibility to calculate and remit all taxes.

THE UNDERSIGNED Bidder acknowledges it is the Bidder's sole responsibility to ensure it has received all addenda prior to submitting its Bid and that all addenda are incorporated into this Bid.

As a guarantee of good faith, THE UNDERSIGNED Bidder encloses herewith a bid bond pursuant to Subsection 1100 of the General Provisions and the Special Provisions in the amount of NOT LESS THAN FIVE PERCENT of the Total Amount of Bid (including 6% Provincial Sales Tax and excluding Site Occupancy extensions if applicable).

This Bid is irrevocable for 60 days after the close of bidding.

Should this Bid be accepted by the Ministry, THE UNDERSIGNED Bidder agrees to furnish the Performance Bond (unless otherwise stated in the Special Provisions), the Labour & Material Payment Bond (unless otherwise stated in the Special Provisions) and proof of insurance pursuant to Subsections 1200.10 and 1200.11 of the General Provisions.

Upon acceptance of the Bid by the Minister, the Bid Form and the documents referenced in it constitute a legally enforceable agreement and supersede all previous documents, representations, negotiations or discussions. No implied terms or obligations of any kind shall arise from anything in the agreement or otherwise and the express provisions of this agreement are the only provisions and agreements upon which any rights may be founded or asserted.

1 BID SUBMISSION EVALUATION CRITERIA

1.1 In addition to General Provision 1200.2.1, all compliant Bids or Bids deemed compliant pursuant to General Provision 1200.1.2 will be evaluated against the following Evaluation Criteria:

1.1.1 The Total Score will be rounded to the nearest whole number with .5 being the determining decimal place for rounding up and the second decimal place will be used to determine the appropriate rounding.

1.1.2 Selection of the successful Bidder will be based on the best evaluated submission.

1.1.3 In the event of a tie, the successful Bidder will be the Bidder with the lowest Total Amount of Bid.

1.1.3.1 In the event of a tie in the Total Score and the Bid Score, the successful Bidder will be the Bidder with the highest Contractor Performance Evaluation Score.

1.2 In addition to General Provision 1200, Bids will be assessed in accordance with the evaluation criteria by an evaluation committee that may include The Ministry of SaskBuilds and Procurement of the Province of Saskatchewan and any employees of the Government of Saskatchewan as required.

Evaluation Criteria		
Item	**Mandatory Requirements**	**Yes / No**
1	Mandatory requirements as per the Bid Package have been met.	
Item	**Evaluation Criteria**	
2	**Total Amount of Bid** The evaluation score for this category (Bid Score) will be assigned as follows: 1. The Bidder with the lowest Total Amount of Bid is given a score of 100. 2. The remaining Bidders are given a score equal to the ratio of the lowest Total Amount Bid to their Total Amount of Bid multiplied by 100. $$\textbf{Bid Score} = \frac{\text{Lowest Total Amount of Bid}}{\text{Evaluated Total Amount of Bid}} \text{ X } 100$$	
3	**Contractor Performance Evaluation (CPE)** The Bidder's applicable CPE score for this competition will be determined as follows: 1. Contractors who have provided the CPE Score Authorization form will be assigned the CPE score set forth in the latest Verification e-mail sent by the Ministry to that Contractor prior to bid close, unless the Contractor has requested a correction prior to bid close. 2. Contractors who have not provided the CPE Score Authorization form will be assigned a CPE score based on the average of that Contractor's finalized* CPE scores in the Ministry's CPE database. 3. Contractors who do not have any CPE scores in the Ministry's CPE database will be assigned a CPE score based on the average of all the finalized* CPE scores in the Ministry's CPE database (industry average). 4. Only CPE scores based on contracts executed on or after April 1, 2017 and are within three years of the contract close date are active in the Ministry's CPE database.	

	* Finalized means one of the following: • The 28 calendar day appeal period is open but the Bidder has confirmed in writing to the contact indicated on the Contractor Performance Evaluation Form with copy to mhiprojectcontrol@gov.sk.ca, that it accepts its CPE score. • An appeal was filed and the results of the appeal are known. • The appeal period has expired without an appeal being filed. The evaluation score for this category (CPE Score Deduction) will apply as a deduction from the Bid Score and will be determined as follows: 5. All Bidders with a CPE score greater than or equal to the industry average on the date of competition close will not be assigned any CPE score deduction in this section. 6. All Bidders with a CPE score less than the industry average on the date of competition close will be assigned a CPE score deduction as follows: **CPE Score Deduction** $= (Industry\ Average - Bidder's\ CPE\ Score)$ X 0.25
	Total Score = Bid Score - CPE Score Deduction
