Submission Deadline:	November 10, 2026, 2:00 pm local time
Tender ID:	AC102826

Details:

The Municipality is in possession of two (2) composite utility poles that are deemed surplus. Both poles are approximately 111 feet tall and hardware is located next to the poles and visible in photos, however the Municipality cannot confirm if all required hardware is included. There is identification on the poles of being manufactured by Reliant Structures and they are stamped with an ID plate.

The Municipality has no condition details on this item.

Instructions:

Submissions will remain open until 2:00 pm AST on November 10, 2026. At that time, the highest bid for each item will be awarded and the successful bidder will be notified.

Successful bidders have 7 (seven) days to present to a municipal office to make payment in full and then remove the item. Payment methods available are cash, cheque, or debit. Items will be available for pick up at 54 Church Street, Bridgetown.

Bidders are responsible for loading the items into their vehicle.

Items not paid for and removed within 7 days will default to the next highest bid**.**
