Commercial Technical Data (TD), Commercial Computer Software (CS), or Commercial Computer Software Documentation (CSD) – Government Use Restrictions

Offerors shall identify all Commercial Technical Data (TD), Commercial Computer Software (CS), and Commercial Computer Software Documentation (CSD) proposed for delivery under this contract that will be subject to use, modification, reproduction, release, performance, display, or disclosure restrictions in accordance with DFARS 252.227-7015 and DFARS 252.227-7037.

If the Offeror does not assert any Government-use restrictions on Commercial TD, CS, or CSD, the Offeror shall insert "NONE" in the table below.

This attachment will be incorporated into the contract at award and will form the basis for validating commercial restrictions under DFARS 227.7102 and 227.7202.

Item No.	Commercial Item / Software Name	Description of TD / CS / CSD	Basis for Commerciality (e.g., sold to public, offered for sale, etc.)	Rights Restriction (e.g., Limited, Restricted, Vendor-Specific License)	License or Terms Applicable	Entity Holding Rights (Name & Address)	Expiration or Renewal Terms (if applicable)
