ATSA-I PROPOSAL RELEASE ANNOUNCEMENT
(Automatic Test System Acquisition-I)
FA8533-24-R-0002
AFLCMC/ROKB
FAIR OPPORTUNITY PROPOSAL REQUEST (FOPR)

Contract: ATSA-I D-Contract

Order Type: Fair Opportunity Proposal Request (FOPR)

Solicitation Number: FA8533-26-R-0007

Date of FOPR Release: 17 September 2026

Acquisition Description: For the acquisition of F-16 Aircraft Adapter Groups (AAGs) for the Common Aircraft Portable Reprogrammable Equipment (CAPRE) Secure Memory Loader Verifier (SMLV). This FOPR has been disseminated directly to ATSA-I awardees IAW FAR 16.505(b)(1) procedures.

This information and announcement are being provided to the awardees of the ATSA multi-award contract, FA8533-24-R-0002, to inform them of the FOPR and potential subcontracting opportunities for this acquisition.

ATSA awardees are encouraged to review all ATSA announcements posted to SAM.gov for the latest program announcements, anticipated acquisition information, and program releases. All comments and/or questions about this FOPR release should be directed at the identified Procurement Contracting Officer (PCO) and Contract Specialist listed below:

PCO: Benjamin Wilton, benjamin.wilton@us.af.mil
Contract Specialist: Ashley Wynn, ashley.wynn.1@us.af.mil

This acquisition is only open to ATSA-I awardees, FA8533-24-R-0002. The Government WILL NOT review any proposals from non-ATSA-I awardees. Proposals submitted to the Government without an official request will NOT be accepted or reimbursed.
