# Get Up to \$100 for Replacing Your Old Toilet With a High-Efficiency Toilet

Participating BAWSCA Agencies are offering up to a \$100 rebate when you replace your old toilet with an **EPA WaterSense Labeled High-Efficiency Toilet (HET)**.

A toilet that uses 3.5 gallons per flush (GPF) or more accounts for about 26% of your home's indoor water use. One of the easiest ways to lower your indoor water use is to install a HET, which uses 1.3 GPF or less. Although HETs use approximately 62% less water, they remove waste effectively and perform well.

## HIGH-EFFICIENCY TOILET REBATE PROGRAM ELIGIBILITY RULES

- Rebates are \$50 per high-efficiency toilet (HET) or \$100 per MaP Premium high-efficiency toilet (Premium HET), up to the total cost of toilet, not including sales tax.
- To receive the \$100 rebate, you must purchase a MaP Premium qualifying HET. MaP Premium HETs use 1.06 gallons per flush or less, and meet a minimum MaP threshold of 600 grams of waste removed from the toilet fixture in a single flush. A link to the list of MaP Premium HETs can be found at: [www.BayAreaConservation.org](http://www.BayAreaConservation.org)
- To receive the \$50 rebate, you must purchase an EPA WaterSense Labeled HET. A link to the list of EPA WaterSense Labeled HETs can be found at: [www.BayAreaConservation.org](http://www.BayAreaConservation.org)
- HETs must be purchased between July 1, 2017 and June 30, 2018. The HET installation must be complete, and the rebate application postmarked, within 90 days of the HET purchase date.
- A separate and complete HET rebate application must be submitted for each metered address.
- Original HET receipt(s) must be included with the HET rebate application. If you need the receipt(s) returned, please enclose a self-addressed, stamped envelope with your application.
- The HET must be installed within the service area of the water agency that is paying the rebate.
- **Pre-Qualification Requirements:** Applicant must contact their local water agency to pre-qualify if Applicant is: (1) not listed on the water service account, (2) a customer of **Daly City, Estero Municipal Improvement District, Stanford University** or (3) a commercial customer of **Coastside County Water District**.
- **Customers of Alameda County Water District:** Alameda County Water District does not provide HET rebates for homes built after 1994.
- **Daly City, Redwood City and Millbrae** provide rebates for MaP Premium HETs only.
- **Customers of Estero Municipal Improvement District:** Commercial accounts are eligible for MaP Premium HET rebates only.
- **Customers of Stanford University:** Rebates are currently available only for Institutional customers (academic departments, student housing, athletics, zones, etc.). Payment will be supplied through an interdepartmental journal transfer, provide the PTA that the rebate should be applied to on the application.
- Toilets purchased for new construction do not qualify for a rebate.
- All sites are subject to post-installation inspections. Pre-purchase and post-installation inspections are required at any sites where seven (7) or more rebates are issued.
- All rebates are subject to availability of funds. Rebates may take up to eight (8) weeks to process.
- Rebates are issued as checks or as credits on water service accounts.
- **Limit:** Three (3) rebates per living unit, not per account. Ten (10) rebates per commercial account. *For questions regarding rebates in excess of these limits, contact your water agency.*
- **Mid-Peninsula Water District** offers a total of six (6) rebates per commercial account.
- Applicant must be a water customer in good standing with a participating BAWSCA Agency. If Applicant is not the property owner and/or is not listed on the water service account, Applicant must submit documentation that includes the property owner/account holder's contact information.
- Accounts that have reached the limits specified above for prior toilet rebates, or that have previously received toilets through a water agency direct installation or distribution program, are not eligible for rebates.
- BAWSCA and the local water agencies reserve the right to deny a rebate to any Applicant that does not meet the program requirements.

**For the fastest rebate, apply online at [www.BayAreaConservation.org](http://www.BayAreaConservation.org)**

\* Coastside rebates are \$100 for Standard and MaP Premium HETs

## HET Rebate Application Checklist

- I called my local water agency to pre-qualify, if required.
- The toilet I purchased is an EPA WaterSense Labeled HET.
- I included my water service account number on the application.
- I completely filled out and signed the application.
- I enclosed the original HET receipt with my rebate application.
- I installed my HET and mailed in the application within 90 days of purchase.

**Mail application and receipt(s) to: BAWSCA**  
155 Bovet Road, Suite 650, San Mateo, CA 94402  
**Or, for the fastest rebate, apply online at:**

**DISCLAIMER:**

The undersigned expressly agrees that BAWSCA and its participating member agencies: 1) may inspect all properties participating in the High-Efficiency Toilet Rebate Program, 2) do not guarantee the performance of any toilet, 3) do not warrant any toilet or installation to be free of defects, and 4) do not warrant the quality of workmanship, or the suitability of the premises or the toilet for the installation. The undersigned further agrees to defend, indemnify and hold harmless BAWSCA and its participating member agencies including their directors, officers, agents, and employees, from and against any and all loss, damage, expense, claims suits and liability, including attorneys fees arising out of or in any way connected with the toilet(s) and its (their) installation. Applicant has read, understands and agrees to the terms and conditions listed on the High-Efficiency Toilet Rebate Program application. Applicant understands that installation of a qualifying high-efficiency toilet may not result in lower water bills. BAWSCA and its participating member agencies reserve the right to add or remove eligible high-efficiency toilets from the list or change the terms of the incentive offer at any time.

I HAVE READ, UNDERSTAND, AND AGREE TO THE TERMS AND CONDITIONS OF THIS REBATE PROGRAM.
