JCIA Monthly Letter

From Social Development Center in Cambodia

Motorcycle Repair Course: Internship continues

- From August 1 to 31: Practical training at motorcycle repair shops is ongoing.
- August 4, 11, 18 and 25: Visit 7 shops to check the progress

Electronics Repair Course: Washing Machine

- Training in August:
  - Washing machine structure and common damages
  - Practical repair training
    (check electrical systems, fix and change parts, etc.)

Sewing Course: Garment-Making Training

- Training in August:
  - Full garment-making process, including drafting patterns, taking measurements, cutting, sewing, ironing, and final fitting and adjustments.
    (off-shoulder puff-sleeve tops, wide V-neck tops, keyhole neckline blouses, wavy ruched neckline dresses, etc.)

ICRC Visits the Vocational Training Center

・August 21: The International Committee of the Red Cross (ICRC) visited the Posen Chey Social Development Center.
・We reviewed the progress of the 26th Program trainees referred by the ICRC and discussed post-graduation support and future collaboration.

Basic Information Updated for the 26th Trainees

・Mid-August: We organized and updated the basic information required to record the vocational training of the 26th batch trainees.
・This essential information will be used to track trainees' status after graduation, as well as serve as baseline data to review and improve our vocational training programs.

Join a NGOs, Associations & Unions Conference

・August 4: We participated in a conference at Royal Academy of Cambodia to represent our activities and learn from others.

From Executive Office in Japan

TOPIC ／ Delivering news from Japan & Cambodia

First Issue of Monthly Letter Published!

In August,JCIA issued its very first Monthly Letter. Both Japanese and English versions were created and posted on our website. We will deliver news on our activities in Japan and Cambodia every month. Moving forward, we also plan to distribute it via email. Please check it out!

Preparing to Utilize Crowdfunding Funds

August: We created a system to manage the funds supported by by crowdfunding to purchase the "Start-up Tool Sets." Starting in September, we will begin purchasing the tools in Cambodia. We also created "Thank You" postcards as returns and are preparing handwritten messages from the trainees to our supporters.

Procedures for Change of President in Cambodia

Mid-August: Following the change of President in July 2025, we prepared and sent the required English documents to Cambodia to proceed with the official registration procedures.

Meeting to Prepare for Presentation of JCIA

August 28: We visited a construction company in Yokohama. We were invited to present JCIA's activities at an event on October 9, where approximately 70 affiliated companies will participate, and we joined a meeting to prepare for it. We also exchanged ideas regarding new project initiatives.

Received Advice on NPO Accounting

August 18: Tax accountants who support public interest activities visited our office. They reviewed JCIA's accounting against NPO Accounting Standards and confirmed there were no issues. They also provided concrete advice regarding daily accounting processing.

Preparing for the September Visit to Cambodia

Late August: We prepared for our visit to Cambodia scheduled for September 6 to 13. During the September visit, we will meet with our staff in Cambodia to confirm upcoming activities, including preparations for purchasing the crowdfunding-supported start-up tool sets and discussions for the graduation ceremony in October.

A Message from the Executive Director

After visiting Cambodia in July, I spent August preparing in Japan. The coming weeks are packed with key milestones: finishing vocational training in late September, preparing start-up tool sets, and holding the graduation ceremony in early October. Staff in both Japan and Cambodia will keep working hard!
