ANTI – BULLYING DAY

Dear Parents,

In an effort to promote a safe, respectful and inclusive school environment, the Student Wellness Club will observe **Anti-Bullying Day** on **17th November 2026.**

The initiative aims to create awareness among students about bullying, its impact and the importance of fostering positive relationships based on mutual respect, empathy and understanding.

As part of the observance, the following programmes will be organised for students:

Grades 1 - 5: Special Assembly

A special assembly will be conducted to raise awareness about bullying and will focus on promoting kindness, including others and seeking help from trusted adults.

Grades 6 - 12: Awareness Campaign

An awareness campaign will be organised to educate students about various forms of bullying, its consequences and appropriate ways to respond to such incidents. The campaign will emphasise the importance of reporting bullying, supporting peers and maintaining respectful interactions within the school community.

We encourage all students to participate actively in the programmes and demonstrate kindness, empathy and respect in their everyday interactions.

Let us work together to ensure that our school remains a safe and supportive environment for every student.

With regards,

13/11/26
