"This is my premium collection that I have personally selected from vineyards across Australia. The grapes produced are low yielding to give you great concentration of fruit flavours and I use only the best winemaking techniques possible.

Wrattonbully is a wine region located in South Australia and produces pleasantly soft, red berry fruited wine with moderate tannin levels. Brick red with a slight purple hue. Violet blueberry spice is enhanced with the ageing of the wine in American oak barriques giving a pleasant vanilla feel in the mouth with complex undertones, culminating in a great long finish.
