The largest of our suites, furnished with ivory drapes and grand chandeliers, offers elegance and prestige for your wedding celebration. This grand room is the perfect setting for a fairy tale wedding, along with the exquisite pagoda and secret garden area which provides a perfect scene for your memorable occasion. The exquisite pagoda and striking views set the perfect scene for all your special photos.

THE GARDEN ROOM

This intimate suite provides an eclectic style to suit any couple, with its stunning chandeliers, exposed beams and solid wood floors. The Garden Room is amongst one of the few locations in Nottingham to have an external civil ceremony area within its own sculptured private garden and patio area, providing the ultimate scene and backdrop for your wedding.

THE CRYSTAL HALL

The spectacular barn conversion was originally part of the landmark Goosedale Farm. Beautifully restored with exposed brick, crystal chandeliers and slate tiles, The Crystal Hall is spacious and light. Start your celebrations with canapés and champagne or the option to have your civil ceremony within this natural beautiful surrounding.
