CEO Message

As I reflect on the past year, I am filled with a sense of pride, gratitude, and hope. At Global Ehsan Relief, we have continued to work tirelessly to provide aid and support to those who need it most.

In the face of ongoing conflicts, natural disasters, and economic challenges, our team has shown remarkable resilience, compassion, and dedication. Together, we have reached millions of people in need, providing them with food, shelter, healthcare, and education.

I am proud to report that we have made significant progress in achieving our strategic goals, including:

- Expanding our programs to reach more vulnerable communities in Asia
- Strengthening our partnerships with local organizations and governments
- Enhancing our accountability and transparency through robust monitoring and evaluation systems

However, despite our progress, we are acutely aware of the immense challenges that still lie ahead. The needs of the communities we serve are vast and complex, and we recognize that our work is far from over.

As we look to the future, we remain committed to our mission of providing humanitarian aid and sustainable development programs to those who need it most. We will continue to work with passion, integrity, and humility, inspired by the values of compassion, justice, and equality.

I would like to extend my deepest gratitude to our donors, partners, volunteers, and staff, without whom our work would not be possible. Your trust, support, and dedication have enabled us to make a meaningful difference in the lives of millions.

Together, let us continue to strive for a world where everyone has access to the resources they need to thrive.

Sincerely,

Basheer Ahmad Ali
CEO, Global Ehsan Relief

Core Projects: Care For Orphans

Orphans are at the heart of what we do, as one of the most vulnerable communities we serve.

Our Orphan Sponsorship Program is a crucial support system for these orphans in need, providing them with food, clothing, and, most importantly, access to mainstream and religious education.

So far, your donations have sponsored 1,072 orphans across Asia, the Middle East, and Africa, allowing them to thrive and grow.

In January, we also organised a special trip for 105 Palestinian orphans living in Jordan. This annual Umrah for Orphans project aims to give these children a once-in-a-lifetime chance to perform Umrah and visit the most holy places in Islam.

THANK
YOU

Core Projects:
Care For Hunger

The world produces more than enough food for everyone, yet every day an estimated 733 million people go hungry. Food insecurity is a serious problem in many poverty-stricken countries. As part of our efforts to relieve their suffering, we distributed your donations to 500 needy families in Myanmar, in the form of food aid packs with enough groceries to last them a month. We also serve hot lentil soup in Idlib, Syria. 700 beneficiaries benefit everyday for 8 months.

COUNTRIES	ITEMS	QUANTITIES	NO. OF BENEFICIARIES
Myanmar	Food Aid Packs	100	500
Syria	Soup House Project (Serves Hot Lentil Soup)	168,000	168,000
			TOTAL: 168,500

Core Projects:
Care For Clean Water

Clean water is essential for survival, but sadly millions still don't have access to it. Women and children are the worst affected - they spend hours collecting water from far-off sources that is often contaminated, risking their health and hindering their ability to work or study.

We are dedicated to helping these communities in need by providing a clean water supply that can last for years. Since 2015, with your generous support, we have built over 5,000 water sources such as hybrid wells, ablution places, and solar water stations that have benefited thousands around the world.

In 2024 alone, your donations helped build – new water sources in Cambodia, Pakistan, and Sri Lanka, helping – people in need. You also brought more than 6 million litres of life-saving clean water to Gaza, Syria, Yemen, Pakistan, and Sudan, which reached almost 300,000 refugees.

PROJECTS	COUNTRIES	QUANTITIES	NO. OF BENEFICIARIES
Hand Pump	Cambodia Sri Lanka Pakistan	48 56 76	720 840 1,140

Core Projects:
Global Waqf Projects

Waqf is one of the best acts of charity in Islam. As a form of sadaqah jariyah (ongoing charity), it not only benefits the recipients for years to come but also gives donors ongoing rewards for as long as it is in use. Our waqf projects give donors a chance to build a brighter future for those in need while earning endless rewards for their Hereafter.

QUR'AN DISTRIBUTION

In many needy communities, the lack of access to the Qur'an has created a barrier for many individuals, denying them the opportunity to learn the holy book.

Over the past year, we successfully distributed 3,922 Qur'ans to individuals in need, ensuring that regardless of their circumstances, these individuals have access to the Holy Qur'an. By reaching out to such communities, we have strived to bridge the gap and made the teachings of the Qur'an accessible to all.

PROJECTS	COUNTRIES	QUANTITY	NO. OF BENEFICIARIES
Qur'an Distribution	Indonesia	1,640	1,640
	Cambodia	1,000	1,000
	Pakistan	500	500

Qur'an Braille Digital	Indonesia	250	250
Qur'an Braille	Pakistan	100	100
			TOTAL: 5,040

MOSQUES

In 2024, your donations helped us build 20 new mosques for underprivileged Muslim communities. While mosques hold profound significance for Muslims as places of worship, community, and spiritual growth, unfortunately many rural communities worldwide lack access to such important spaces. In 2023, we managed to construct 16 mosques, benefitting over 3,000 congregants in Asia, Africa & the Middle East.

Furthermore, we also completed our largest mosque to date, Masjid Al-Fattah in Syria, which can accommodate up to 1,000 congregants! Your support has been instrumental in creating these spaces that now serve as vital community hubs. These mosques provide practical places for worship and community gatherings, fostering a sense of unity among residents.

Core Projects: Emergency Appeal

With the many ongoing conflicts around the world, millions of people have been displaced from their homes, lost their livelihoods, and are in desperate need of aid.

Thanks to your unwavering support, we've been able to provide food aid, cooked meals, shelter, and other essentials to thousands of refugees and IDPs this year. Your contributions have given them much-needed aid as they struggle to survive and rebuild.

See how you brought smiles to their faces!

Deployments

Umrah For Orphans

It's every Muslim's dream to visit the Holy Lands. For over 100 of our sponsored orphans, that dream became a reality. In January, we brought 105 Palestinian orphans from Jordan on a special trip to perform Umrah. For these children, the thought of stepping onto the holy lands of Makkah and Madinah had always seemed unattainable. The bus journey for the orphans and their guardians took almost 30 hours, giving these children the golden opportunity to perform Umrah for themselves and their parents.

Deployments

Qurban Relief

This year, Global Ehsan Relief sent out six dedicated teams to oversee our Qurban distributions in Aceh, India, Sri Lanka, Malawi, Egypt, and Jordan. These deployments ensured that the process was carried out smoothly and effectively, reaching the most vulnerable communities. Each team worked diligently on the ground to ensure that the Qurban donations were distributed with care, providing essential fresh meat to families in need. In total, our deployment teams delivered Qurban meat to more than 100,000 beneficiaries worldwide.

Deployments

Aceh, Indonesia

In September, our GERSG and GERUK team members paid a visit to Aceh, Indonesia, with our special guest and ambassador Ustaz Shabbir Hassan. Over the course of a week, the team carried out lots of activities and distributions to benefit the many impoverished communities there. They also had the opportunity to visit several different madrasahs and speak with our beloved orphans there. The students were also treated to motivational and educational talks by Ustaz Shabbir! In total, more than 2000 people benefited from their work on the ground.

Deployments

Yemen

In October, our teams had the chance to visit refugee camps in Aden, Yemen, and see first-hand the many challenges that Yemeni refugees face. Their visit brought much-needed food aid, hot meals, clean water, baby milk, and hygiene kits to the refugees, giving them respite from their struggles. They also visited a school that serves refugees and impoverished children, giving out goodie bags and stationery sets to the children there. Overall, their visit helped more than 50,000 Yemenis in need.

Deployments

Bangladesh

In November, our teams headed over to Bangladesh to distribute aid to the Rohingya refugees there. Though they have sadly been forgotten, millions of the refugees there still live below the poverty line, with very few ways of making a livelihood. On top of giving out food aid and cooked meals, our team also distributed sewing machines to facilitate their livelihoods, and wheelchairs for those with mobility issues. They also gave out winter kits in preparation for the upcoming cold season. In all, more than 5000 refugees benefited from our team's visit this year.

Deployments

Winter Relief

Our final trip of the year saw our GERSG and GERMY team members heading over to Turkiye for our annual Winter Relief deployment. For the millions of Syrian refugees there already battling poverty, winter's unrelenting cold adds even more suffering to their lives. Over the span of a week, our team visited several camps along the Syrian border to give out life-saving food aid, cooked meals, baby milk, and more. They also distributed winter clothing, blankets, and coal to keep the refugees warm. Thanks to your donations, they were able to help more than 24,000 refugees in need.

Seasonal Projects

Throughout the holy month of Ramadan, Global Ehsan Relief successfully carried out a range of impactful projects as part of our Ehsan Ramadan 2024 campaign. These included providing Iftar Meals, distributing vital Food Aid Packs, having Mass Iftar with our Orphans, celebrating our signature Kindness Day, and providing Eid Gifts to our orphaned families. In total, we impacted over 280,000 people across 34 countries in the blessed month!

QURBAN RELIEF

At GER, our annual Qurban Relief campaign aims to provide essential aid to communities in need, while helping our donors fulfil the sunnah of Qurban. This year, we extended our efforts to 36 countries, introducing Qurban packages such as Qurban for Orphans, Qurban for Refugees, Qurban for Gaza and Prophetic Qurban. Our Qurban for Gaza project offered chilled, canned, or frozen Qurban meat options, ensuring the meat provides nutrition for Palestinians in need beyond Eid.

WINTER RELIEF

Global Ehsan Relief sprang into action as the harsh winter howled across the globe, bringing warmth and hope to over 27,000 vulnerable beneficiaries in Pakistan, Syria, Türkiye, Palestine, and Yemen.

With your support, we disbursed more than $160,000 in critical aid, providing warm winter clothing, heating materials, food aid packs, baby essentials and shelters.

In the face of unimaginable hardship, our Winter Relief efforts have been a beacon of compassion and kindness. We've seen families reunited, children warmed, and communities strengthened.

Your generosity has been the spark that ignited this wave of hope. Thank you for being part of this journey with us.

Our Stories

Umrah For Orphans

Impact of Umrah for Orphans

Muhammad Atal Wadeed, a 13-year-old, expresses genuine happiness for the opportunity to perform Umrah for his late father. His joy stems from the chance to pray for both himself and his father, who passed away six years ago due to cancer.

Muhammad eagerly looks forward to offering prayers for his family and to visit the Prophet's Mosque, as well as to witness the Kaaba. His aspirations include becoming an Ustaz, reflecting his desire to pursue religious education.

Beyond the spiritual journey, Muhammad is excited about the prospect of seeing the world beyond the camp where he resides.

Firas, Muhammad's brother, shares in the joy and happiness for his younger sibling. As the breadwinner for the family, Firas likely feels a sense of fulfillment in seeing Muhammad embark on this meaningful journey and the opportunities it may bring for the family.

Our Stories

Care For Clean Water

Impact of Building Electric Water Well

Mdm Sinat, 56, is staying with her daughter and 3 grand children. She and her daughter supports the family through their earnings of USD 1.50 - USD 2.50 as a rubber cutter. Before the hand pump is built, they would go around their neighbour's house asking for clean drinking water.

They had a small well to collect rain water used for washing clothes, cleaning & bathing. After the well is built, they no longer have to ask water from their neighbors, instead, they shared the well with them. They claimed, this is the best gift they've ever received & made doa to those who were involved in this project.

Our Partners
Testimonies

Alhamdulillah, it's been a good experience to work with GER, especially with their exemplary response towards any emergency situation. GER's approach to the community is need-based, and that's why their efforts have made such a great impact on the people of Bangladesh within a very short period. Our collaboration has also made a huge difference in the Rohingya refugee camps.

The Government of Bangladesh has also recognized our efforts. Together, we can make even more positive changes for our community and fulfil the donations from our donors.

On behalf of the people of Bangladesh, I would like to give our heartiest thanks to the GER worldwide team for their amazing contributions to the Bangladeshi and Rohingya Community. I hope that our partnership will continue to uplift and improve lives here in the years to come.

Tareq Mahamud Sajib
Country Director,
Al-Khair Foundation

Partnership involves a variety of mutual benefits one can exchange with the other, and partnering with Global Ehsan Relief certainly provided us with the opportunity of exchanging new ideas, meeting wonderful people, getting to know a dedicated team who from heart strive for their cause. I have come to know Global Ehsan Relief as a trusted and sincere organization with whom anyone would be fortunate to partner.

Asking the right questions in crises, Global Ehsan Relief addresses the communities' needs effectively, efficiently, and on time. Winter season witnessed GER's "Winter Relief", earthquakes and floods were followed with GER's "Emergency Relief", and communities with a lack of infrastructure and housing were provided with "Briquette Home" and "Waqf Masjid" projects.

Organization-wise, we have always counted GER in when it comes to projects that would create an impact. People who have benefitted from a GER project know that if they raise a concern or require a significant need, GER will provide it.

Yusuf Taha Helvaci
Director of International Relations,
Hayrat Humanitarian Aid Association

Partnering with Global Ehsan Relief has been a great experience as they are our first choice for collaboration. Their projects effectively provide for beneficiaries in all situations, making a significant impact on our community. Through this partnership, we have learned the importance of youth involvement in creating meaningful change.

Shaukat Lal
