In Loving Memory of Mutti

Your hands were always there to guide us,
Your heart was always full of love.
You gave so much without asking,
A gift from heaven sent above.

Though we cannot see you,
Your love will never fade.
In every precious memory,
The beautiful life you made.

You taught us how to love deeply,
To be kind, strong, and true.
And every day we carry
A little piece of you.

So rest peacefully, dear Mother,
Your work on earth is done.
Your love will live forever
In each and every one.

Until we meet again,
We'll hold you in our hearts.
For death may take your presence,
But never can it take your love
