Well I will say bye the way! Our mom always had a special connection to a higher place! Although she didn't say anything about it! A true heart ❤️ even in tuff times! A magical spirit connected to the Devine great class but in a quiet way ! A lover of all people even in down times she always saw the best in every one and loved them anyway! We all will miss her guidance and unconditional ❤️ .

In Loving Memory

Marjorie Janice Michaelsen

1941 ~ 2024
