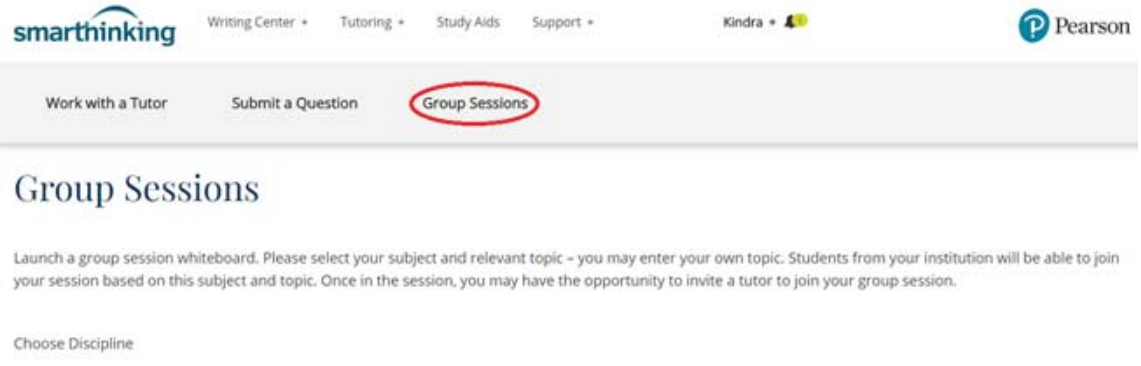
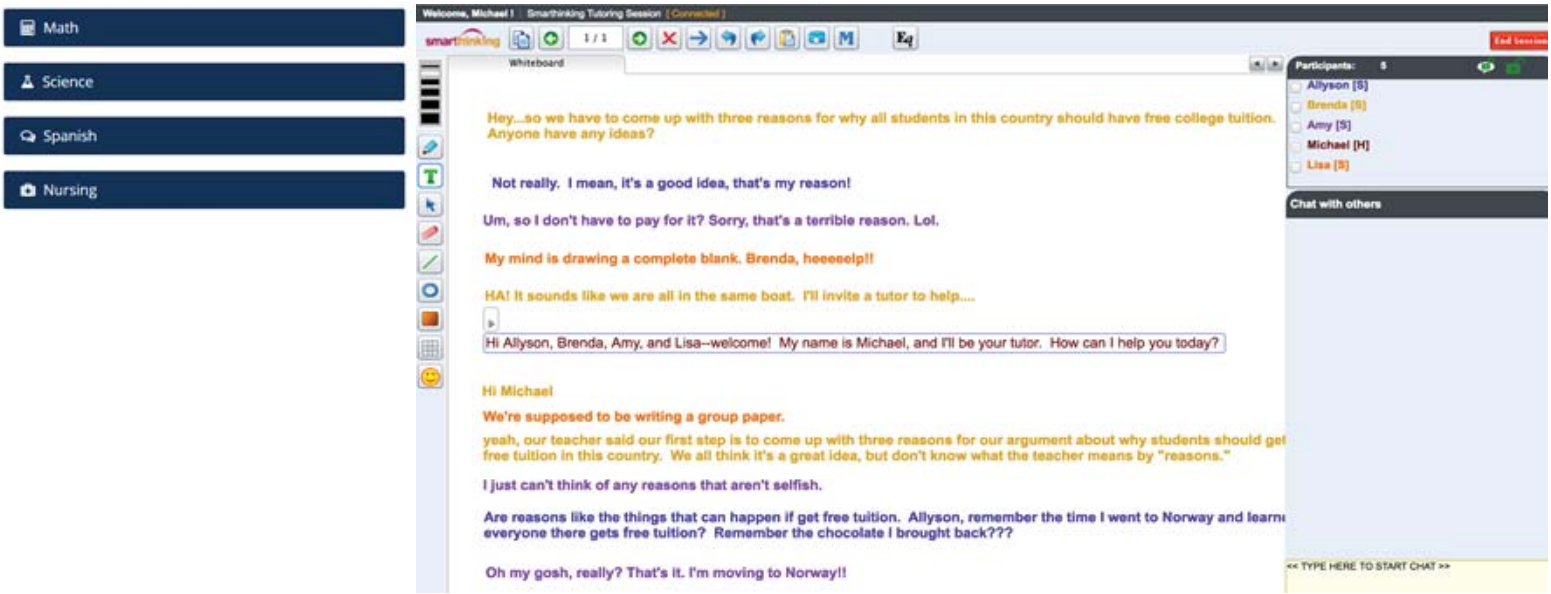
Group Tutoring

Smarthinking's New Group Tutoring gives students the ability to collaborate with other students at their institution in an online whiteboard tutoring session.



Uses:

1. Work on group projects
2. Have live group discussions
3. Create study groups
4. Connect to a tutor as a group



Features

1. Up to 10 students can join a group tutoring session at a time.
2. Only students from your institution will be able to join sessions with each other.
3. Each student has their own color so students can easily see who is typing in the whiteboard.
4. A chat box is available to help streamline the converstaion
5. Students have the option to bring a tutor online who will work with the group as a whole. Time is only deducted when a tutor is online and the time is split evenly by the students in the group session.
