EVENT SUBCOMMITTEE REPORT

Details	8th November 2022	Alice Cottrell & Oriel Morrison

Festival on the Hill - Saturday 21st Oct	
Summary	• Given the weather challenges, 2022 Mudfest was a big success, with so many families braving the weather to come with great attitudes and smiles we could not have had a better outcome (except less bogged vehicles). A big thank you to Tony and the School for all their support in the lead up, during and afterwards. The easy option would have been to cancel and we really appreciate the support in our decision making in the lead up to the event. • **Decision Required:** We have approx 5 cases of soft drink left over from the fete, we would like to propose either donating or gifting at a small cost to the year 6 graduation.

Trash & Treasure - Friday 20th - Saturday 21st Oct	
Summary	• Thank you to Sally, Melissa and their amazing team of volunteers. Only positive feedback has been received and it is so great to see how small actions can lead to a big success.
