ITEM	NOTES
Successes / News / Updates	• Renewed chsspandc.org.au domain name registration for 3 years until October 2026. • Thank you Eve for your Canva support.  • Lots of positive feedback about the **newsletter featuring the students work** – perhaps a way to engage more parents? – to be discussed. • **Positive feedback from the assembly Mr Olds ran** – celebration of the events throughout the term for each year group – not just the academic achievements.
Current Activities / Current Needs	• Approached by a parent who asked if we could explore **sunscreen dispensers** for around the school with a similar dispenser to **hand sanitiser** (seen at another school). • Begin planning for next year's events once dates are set.
Future Plans / Project Submissions	• Continue advertising term 4 events. • When do we need to start doing T&T call outs?
