CPR FACILITATOR'S REPORT

Date of meeting: 11 February 2025
Date of report: 31 January 2025
CPR Facilitator: Catherine Nichols
Subcommittee Members: NA

ITEM	NOTES
Updates on recent activities:	6K's CPR is yet to be assigned; all other classes have been assigned for 2025 and JotForm contact lists have been email out to them. Community is currently at 596 members. Coffee at the hall went well. It was a warm morning, might do better in cooler months.
Roadblocks or concerns to discuss:	Jotform – 668 students details were collected from 454 forms. There are duplicate entries, parents don't remember filling in the form in December and do it again in January or Mum and Dad both fill it in. Some CPRs were not expecting the initial setup and cross checking parents on class lists vs WhatsApp chat to be as much of an issue.
Future plans and projects:	Should I try and book the Coffee truck again this year? If so what days and frequency.
