President's Report	
Oriel Morrison **Report – see Att 2.1**	President's Report at Attachment 2.1. **Welcome to the June 2024 meeting…** what a whirlwind the last month has been! • A stunning day for the **Queensland Day Festival on the Hill** – and our incredible **Alice Cottrell** once again showed us just how an event is run. So many hours were put in by this amazing individual… and done with such humility… Alice, you are amazing! • We couldn't have done this without the support of the school, the leadership and admin teams and for this we are so grateful. We have so much appreciation for Alice, and for all of those who showed up to help. Even an hour donated from our volunteers lightened the load of an event this size. There are too many amazing people to name individual but a few people who put in hours and hours and hours: ○ **Mel and Flick and their wonderful Trash and Treasure team**… who were the first to arrive and the last to leave at the hall and the shipping containers day after day after day… raising an incredible $19, 000 the process

	○ **Greer, Amanda, Eve, Cath and Bec** for all the additional support an event this size requires… with a special shoutout to Greer on the money! Organising a float for each stall, finding the right technology, on standby all day, always with a smile on her face… **thank you Greer!** ○ Thank you, Roy, **from Syncwise** for the loan of all of your iPads. ○ And a big shout out to our amazing couple who ran the bar with their army of volunteers. **Nicola** (cheese platter extraordinaire) and her amazing hubbie **Michael**… thank you for keeping us all smiling. ○ **Simon on the stage** - what an incredible and tiring job, one which meant he had to stay nearby or on the stage the entire day - we could not have done this without you Simon! ○ **Our wonderful stall holders and bar team**, who put in hours to make the day a success - amazing job. ○ A special shout out to Tony - **you rock Tony!** So much work went into the event, in the lead up and in the aftermath and Tony was always there ready to lend a hand – thank you! ○ What a legend our own Olympian **Nat Cook** is… standing by to MC even when her time was up… she is such a star! ○ We are proud to have donated $2391.25 worth of T&T items to our CHSS Teachers for resources for their classrooms. • **A huge thank you to our sponsors**: the Queensland Government, Elizabeth Watson-Brown, Dr Christian Rowan, Councillor Greg Adermann, Harry Conias from Arthur Conias Real Estate, Liz Browning from Plum Real Estate, Jo Langstaff and Evan Brancroft from the Jo Langstaff team at Ray White and Helping Hands. And thank you to Nick at the Australian Outdoor signage company for helping us advertise the fete on Moggill Road. **Noted:** • **Our next coffee morning with the Principal** is Tuesday 18th June, please come and join us, come and chat to our Principal Steward Jones, and the P&C exec. • Our next big event is the P&C Parents Evening on the 3rd August - make sure you get your tickets on Qkr! - details in the events report. **Discussed:** - **Oriel and Mr Jones discussed the exciting news that our school has won a significant grant in "tranche 3" of the Department of Education's School Playground and Tuckshop Upgrades program.** - The P&C worked closely with the School to secure this grant - particularly our grants convenor, Gen, with Claudi and the B&G team, with thanks. - Initially CHSS wasn't in the running due to our suburb's higher SES, however Tranche 3 was announced in May with CHSS in the list of successful schools! - The grant won for playground upgrades is $20,000 – this was put towards replacing the Prep playground astroturf.

	- The grant won for tuckshop upgrades is $255,000! A project manager will be assigned to the school from the Department of Education to oversee spending and options for upgrades and projects are under consideration.
Vice President	
Amanda Merrick	The Vice President supported the President and the Events Team. Amanda is leading the planning of our upcoming Parent's Night on
Treasurer's Report	
Greer Bystrycki	**See Treasurer's Report at Attachment 3.1** and **Event's P&L as at 30 May 2024 at Attachment 3.1.1** – includes Festival figures.
School Leadership Reports	
Stewart Jones **School Principal** Report Att 4.1	**See Principal's Report at Attachment 4.1.** **Noted:** • **Student End of Semester One Academic Reports** – Soon to go out. • **Reading** - We are very thankful for the P&C's contribution – P&C and School funds are providing a rich supply of classroom teaching resources. We have class teacher sets of PLD resources for the teaching of Phonics in the early years and decodable readers driving a considered approach to the changes around how we engage in reading. These new initiatives are being delivering with an eye on evidence-based features through an inquiry feedback loop that is being coordinated by teacher reading committee. • **Collegial Engagements and Collaborations** - Mr Jones has been invited to speak at the annual National Education Summit in Melbourne. The conference theme is around student wellbeing and there was interest to hear how the Walker Learning approach has impacted positively on student wellbeing. • **Prep 2025 offers** - We have been sending out updates and a first round of out-of-catchment Prep 2025 offers. The school has also held an Open Prep Classrooms during the Fete. These recent actions will tie in nicely with our upcoming Prep 2025 Open Day (I encourage all parents to complete and return their Prep enrolment forms). • **How Great was the Fete!** The Festival on the Hill had perfect weather and it was a joy to see staff, students and parents having so much fun. o Free dress Friday saw some teachers jump into the 'carnival' theme with gusto (Ms Rhodes and Mrs Meyer). o The Trash and Treasure team where again delivering an amazing outcome while working to a tight timeline to have everything set up in the Hall. o There was some serious competition around deciding on the winner for best colouring in. • **New Turning Circle** - The school will be expecting a start to the new turning circle, and we hope to have a specific date just prior to the end of semester. **Discussed:** • Term 3 incursions and excursions reviewed and endorsed by the P&C. • **CHSS Instrument Music** – on fire at the moment! Last week, Mr Kennedy's Band and Ms O'Donnell' Strings performed against other

	local Primary Schools and both our musical groups received the highest possible ranking of 'platinum'! – and both selected for regional finals! o At the instrumental music night their performances were magnificent! The whole crowd including little kids were in awe of the awesome playing!
MOTION	"That the Principal's report and Chaplain's report be accepted as tabled." Moved: Eve Jenkins; Seconded: Amanda Merrick; Carried

	soon. We are considering options for a photographer for the night. **Future event and fundraising planning discussed:** ● Additional school parents have volunteered to help organise next year's fete, with many thanks! ● Flick volunteers to run another **MANGO DRIVE** for 2024, with orders due during October for delivery at the end of November, dates to be advised. Thanks Flick! ● Discussed the hard work that was the **fete cleanup** for the few volunteers who came along on Sunday morning. The oval hill was covered in rubbish. Discussed whether funds could cover a light for the hill and oval clean up in future. ● **"I can't volunteer, please take my money instead!"** Members discussed that many parents do not have the capacity or the desire to volunteer for events or clean up days, but may be willing to donate money in lieu of volunteering, particularly if the fundraising is for a specific goal, e.g. fete clean up, new playgrounds. ● Members suggested a **parent survey** to ask whether parents would be willing to donate cash in lieu of volunteering. And to to alleviate the pressure and huge time commitments required by fundraisers, who are also busy parents. ○ For example, the T&T raised $20,000 this year – a great result for a huge amount of effort. However, if parents donated $25 for each student, that would also raise $20,000! And wouldn't require parent volunteers to spend days and hours and weeks and months collecting and sorting and selling second hand goods at the yearly Trash and Treasure. ○ The focus could be on community building events and events the students love as fundraisers. **2024 Father's Day** ● 29th August – volunteer organiser found – thank you, Trish! **2024 Disco – DATE CHANGE – DETAILS TBA** ● **News flash** - Queensland's next general election has been announced for 26 October 2024 – this conflicts with our planned date for our 2024 Dress Up Disco – the hall will be completely unavailable that day and therefore **our disco date needs to be moved.** Events team to address options asap and report back to the Executive and School. **2024 Christmas Concert** ● 29th November
Buildings and Grounds Subcommittee Report – see Att 5.2 **Claudi Bird,** Sam Bysouth Jane Fountain, Caroline Lawless, Sud Tjipudra, Adam Castle, Greg Dromey, Monique Merrick.	**See report at Attachment 5.2** **Noted:** ● Recycling - Caroline Lawless has offered to take on the 'oversight' role for the CHSS Containers for Change program. Pickup Day has been switched to a Monday. ● Emu buckets - Should be ready to roll out at the start of term, awaiting stickers Environment Club. Had a really good meeting and happy to

	support, we can consider a Platypus to join the circle of friends. Working with Environment Club. Buckets for HH also to include them. • Quotes sourced for logs and yarning circle seating. • Garbage buckets and tongs purchased for Prep-Year 2. A person from B&G will be in charge of a year group and managing the process. Hoping to implement it as soon as the new term starts, the winning class will get Zooper Doopers and naming rights. Need to hopefully be part of the last assembly. • Playground equipment maintenance confirmed and P&C contributing half. • 4D have asked if they are able to upgrade their courtyard and add a raised planter as a class project, proposal has been submitted and Annelyse is coordinating. • Addition of a Yarning circle/outdoor learning/amphitheatre area next to the covered handball area: Pricing sourced as per report. • Feedback and costs involved for previously raised matters – see report. • Ongoing proposed project lists and goals – see report. **Current Projects:** **ITEM 1:** We would like to arrange a maintenance working bee for the school holidays, items to address: • Power washing: paths, barracks, buildings. • Painting posts and areas needed. • Line marking- Handball courts and undercover areas. • Potentially if we can get a trade parent or two replace and paint the battens outside the hall. **ITEM 2:** We have just over $1000 left from the grant money that was used on the oval and will need to pay it back if not spent by the end of June. - Proposal 1- get another load of sandstone seater blocks to distribute throughout the school estimate $2500-$3000 top op to get 44 blocks (delivery is $850). • Proposal 2 - Get a load of rocks to start gathering stones for the proposed swale. **Discussed:** • Members keen for more seating – item 2 approved. **See motion below.** • Sculpture garden plans discussed - Animals of Australia – wooden structures – crocodile, wombat, kangaroo - they look great however concrete may have more longevity, School needs to ensure a secure site. Plan will be further considered and researched – school on board. • Regarding item 1: o Volunteer signup sheet for working bee will be done. o However as discussed under Events, many parents may be happy to donate in lieu of attending a working bee – noting that attendance in past years can be low. o B&G to clarify permittable cleaning projects with school. o B&G keen to beautify school, clean and pain, renew line markings, etc.

	○ **Motion moved as below** to fund cleaning supplies to get started on cleaning projects when possible. Thanks B&G team for all your hard work!

General Business	
General business matter Presented by: Caitlin Crow	• Caitlin of Helping hands discussed that HH will be painting the art building and the inside of the OSHC room during the school holidays. • HH are considering building a shed for storage and sports equipment – ongoing plan. • Vacation care program – different from the usual program because a country-wide program was decided. HH have heard concerns from parents and have plans for great activities for the kids. Thank you, Caitlin!
General business matter Presented by: Sarah Richter and Eve Jenkins	• Sarah of the School PBL Wellbeing Team requests support for the **CHSS Reader's Cup**, which ties in well with the P&C's large contribution ($15k) towards upgrading the school's readers. • The CHSS Reader's Cup will be held during Book Week and there will be prizes for our winner in each grade and an overall prize. • This submission was received and approved, as per the below motion. The PBL parents request funding for "*prizes for the CHSS Reader's Cup that will be held during book week in 2024. The Reader's Cup is run by the Children's Book Council of Australia to "challenge students to read widely, work collaboratively in a team and continue developing a love of reading."* *The Council encourages schools to run their own school competition to give students a chance to understand how the competition works. CHSS plans to run the competition within school in 2024 with the hope of entering a team in the official competition in 2025 if there is enough interest. Students in year 5 and 6 are eligible to enter the official competition, so our in-school competition will be open to years 4 to 6 in preparation for 2025.* *The students will read set books a few weeks in advance (likely 5 books) and on competition day will answer questions on the books' content. While this would normally happen in teams, for our school competition students will enter as individuals to keep it simple*." The PBL parents are assisting the teachers with this project, with thanks!
MOTION	"That the P&C fund up to $200 for prizes for the student winners of the 2024 Reader's Cup, to encourage reading and academic excellence at CHSS. " Moved: Amanda Merrick; Seconded: Eve Jenkins; Carried
General business matter Presented by: Sarah Richter, with the support of the P&C Health and Wellbeing Subcommittee.	• Requesting support to fund a **Wellbeing Wagon** – a resource to help kids connect in the playground. The PBL Friendship Workshop raised $270 – it was discussed and agreed that these funds could be spent on launching the Wellbeing Wagon project.

	• Mr Mitchell supports the project suggests that the Wellbeing Wagon could be a resource for our "flock of friends" students. • The Wellbeing Wagon is designed to help lonely children connect and socialise in the playground and helps kids step away from technology to enjoy hands-on activities. An article about a similar project at a Qld school sparked the idea for the P&C and school wellbeing PBL parents. • It was decided that the $270 raised from the PBL Friendship Workshop could be allocated to resources for a Wellbeing Wagon, to help children connect in the playground, with the support of Mr Mitchell and the School Wellbeing team, with thanks!

Table 1. ACTION ITEMS WITH PROGRESS NOTES

ASSIGNED TO	ITEM	PROGRESS
Executive Team, School Leaders, B&G team.	**P&C Storage Situation:** • The P&C storage situation is dire. The shipping containers currently utilised by the P&C under the school hall are prohibitively **dangerous** to access and their contents are growing **mould**. • The P&C has explicitly expressed to the school that an improved storage situation needs to be found as soon as possible, with thanks. • The school's position is that there are currently no other storage space options for the P&C at CHSS ☹ Options being considered. • **Discussed** – at tonight's meeting, Flick explained to our school leaders how hazardous the storage containers are for P&C volunteers to access for the Festival for T&T, see image below. 	In progress
Tal Mitchell, Executive Team.	**Grade 6 funds held in trust**: • **Discussed** - Mr Mitchell asked whether the P&C could co-contribute to additional bubblers in the Grade 6 area – suggests grant funds / graduation funds / video sales funds could contribute. • Decided for further discussion, with Treasurer kindly asked to consider available funds and discuss with Exec.	In progress
Eve Jenkins, Carolyn Harris, School Leaders, Executive Team.	**Canteen Makeover:** • The P&C Canteen is currently difficult to operate since many major appliances are broken or inadequate including the oven, stovetop, and microwave. • Carolyn and Eve are completing an audit the Canteen requirements – planned for after the fete. The goal is to consider equipment and organisation options to cater for future events, appreciation days, Chappy events and School events. • Note: electrical tagging of devices to be done. • **Discussed** – Helping Hands needs a substitute kitchen for the period of winter vacation care, because they will be unable to access their kitchen due to painting and building. The kids need to be fed! • The main concern is the oven/stovetop – decided to consider urgent purchase of an oven to be installed by an electrician before the school holidays, so that HH has a kitchen to cook in during the	In progress

	upcoming school holidays, considering that this purchase needs to be made sometime soon. • **Note** – between the general meeting and the writing of these minutes, an urgent executive motion has been unanimously approved to fund up to $1000 for a new oven (with installation) for the school canteen, for School, P&C and HH use as appropriate.	
Uniform Team, Executive Team, School Leaders.	**Uniform Policy:** • The P&C has plans to consider updates to the School Uniform Policy. • Parents have asked that all students be allowed to wear the CHSS unisex shorts as a component of the formal uniform. The suggestion is that the school formal uniform options for all students could be: a checked shirt and shorts or skort, or the checked dress. • **Discussed** - Comms has gone out on the matter, and further parent feedback in the form of emails and messages were discussed at tonight's meeting, which were in favour of the changes. • The School suggested that discussion of changes to the school's official uniform policy needs to be opened for further consultation between the P&C, parents, School and Uniform Subcommittee. • The P&C moved a motion for an interim amendment to the School Uniform Policy, as follows: "The P&C moves that an interim amendment is made to the current CHSS School Uniform Policy to allow all student to wear the unisex shorts with a checked shirt as a formal uniform option, while other changes to the whole uniform policy are under consultation." – motion carried.
