STRIVING FOR EXCELLENCE

UNIFORM SHOP COMMITTEE REPORT

Details	1 May 2023	Melissa Wheaton Michelle Seymour Amber

Item	Notes
General	
Successes *Things going well*	• New EFTPOS machine "Bertie" is excellent and has improved payment efficiency greatly • Secondhand uniforms are selling faster than they can be placed on the rack. • Carene Hogg has been busily sewing items to sell at the Festival on the Hill out of unsellable second hand uniform material. • No basic uniform items are out of stock for the first time in 2023. • Long sleeve polos are selling well. Only twelve long sleeve polos remain from the forty shirts ordered above the preorder totals. From those twelve shirts four were old stock from Winter 2022
Roadblocks *Things getting in the way*	• No new roadblocks
Actions	
Decisions *Actions that have been implemented*	• Volunteers, Michelle Seymour and Kathryn Winter are being trained to cover Uniform Shop opening day duties in case of illness.
Recommendations *Motions you want to raise*
