

If Everyone Saves a Little, We All Save a Lot!

For 85 years, the **Mid-Peninsula Water District** has provided its customers with safe, quality water. Along with this unwavering commitment, we also offer friendly, professional service. Everyone is important to us. Whether you're reporting a water leak or simply want an easier way to pay your bill, we're there for you.

During this extremely dry period, your water conservation efforts are most crucial. Please consider more ways to reduce your consumption.

- *Check your irrigation system settings.*
- *Consider replacing your lawn with drought tolerant plants.*
- *Participate in our "Lawn Be Gone" rebate program.*
- *Repair dripping faucets or running toilets.*

If you need assistance or have any questions, just give us a call or email us. Better yet, stop by our office in Belmont and let us assist you.
