GRANT COMMITTEE REPORT

Details	11 June 2022	An Tong, Amy Cooper

Item	Notes
General	
Progress	• Discussed Community Road Safety Education Grants - One-off funding up to $40,000 is available to support Queensland communities with the development and delivery of effective road safety education initiatives that support people to be safer road users. Is this something we want to get involved next year? • Moved our Community Gambling Fund Application to the next round upon their advice to enhance our chance.
Roadblocks *Things getting in the way*	• More of a question: I do search for grants online but find it hard to be on top of timing. I am also not on social media either. Any suggestion as to how we can get involved or notified earlier when a grant is first released?
