PRESIDENT'S REPORT

Details	Tuesday 10th March 2026 630pm	Recorded by:	Claudi Bird (President)

Item	Notes
President's Report	Summary Welcome to the second meeting of 2026! ● This has been my first month as president of the P&C and my first report and we are almost fully transitioned to our new Executive committee. Oriel has left some very big shoes to fill and I would like to take this opportunity to thank her and the previous committee for leaving such a capable and "well-oiled" machine. ● I'm very happy to report that we have a new Treasurer, and I would like to formally welcome the new executive team, comprising of Althea, Nikki and Jodie to a year that has already started strong, I am very excited to work together and kick some goals. ● My previous role as head of building and grounds are closely linked to the infrastructure fundraising goals that everyone has worked so hard for. I am pleased to confirm that in conjunction with the school the procurement process for stage 1 is underway and we are hoping to have the new oval playground refreshed and functioning at the start of Term 3. Thank you to Annelyse for helping to make this happen. ● 2026 has started off strong and then the weather had other plans for our family fun day on the 7th of March. I would like to thank Eve and her team for the mammoth effort and we hope to determine a new date for the Chapel Hill family to enjoy some inflatable fun. ● Events planning is in full swing and there are some very exciting suggestions and prospects for things to come. ● The 2026 Fete is also progressing really well with a special thanks to Althea and Flick for all your hard work with arrangements and our wonderful Trash and Treasure collection! Funding: Funding goals: New Oval Playground with drainage and seating
