Outcome not likely until mid-October. • Thank you to all those of you who forward me grant opportunities. I don't get the chance to reply to everyone, but I do look through everything that gets sent and sort according to eligibility criteria in our database. • Spoke with Queensland Day Grant officials and obtained feedback/guidance in advance of submission
Current Activities / Current Needs	• Two grant in progress (RACQ – with October 2 deadline) to supplement playground grant and Cancer Council shade tents.
Future Plans / Project Submissions	• Monitoring for opening of Brisbane Council grants advertised for November.
