Uniform Shop COMMITTEE REPORT

Details	February 2022	Amber, Michelle, Maeve, Ruth (paid convenor)

Item	Notes
General	
Successes *Things going well*	• Recruited a number of new volunteers, including someone sorting out second hand racks on a regular basis and a new volunteer for Monday morning roster. • Wonderful space in new building means less trips to restock items.
Roadblocks *Things getting in the way*	• Water leaking into uniform shop – only stock loss was 1 hat.
Actions	
Decisions *Actions that have been implemented*	• A parent suggested we start stocking rolling school backpacks (i.e. with wheels and a pull out handle). Subcommittee discussed this idea and decided that there is unlikely to be sufficient demand for this item to warrant pursuing this idea.
Recommendations *Motions you want to raise*	• Approval to purchase more stock of check dresses and check shirts to the value of $10,000.
