TUCKSHOP COMMITTEE REPORT

Details	MARCH 2022	Oriel Morrison Emma Doolan Ana BM Barb Reid Michelle Seymour

Item	Notes
General	
Successes *Things going well*	• With such an up and down year to date I am happy with how our order numbers are going - We are back to around 80% of our usual order numbers on most days. • We will be running a special Hotdog/Juice Box/Cupcake day next Friday 18th of March. I will be advertising this week. • Our Prep students will be able to purchase Tuckshop from next monday. Ill have an email out to them this week with our menu and instructions on how to order. • We are planning a second special day for the last day of term - stay turned, I we are planning something fun!
Roadblocks *Things getting in the way*	• We sadly lost our upright freezer during the floods. Currently running on 2 very full freezers. • We are still finding shortages of stock in the shops a problem - We have altered the menu to accommodate this. Certain vegetables are becoming more and more expensive - we plan on being a little creative and looking to offer items such as baked potato (with a selection of toppings), corn on the cob, pumpkin soup, roast veggies and/-or roast veggie cous
