PRESIDENTS REPORT

Details	Tuesday 11th July 2023 7.00pm	Recorded by:	Oriel Morrison (President)

Item	Notes
President's Report	Summary Welcome to the July 2023 meeting. Undercroft Move: A HUGE thank you to Eve & Tony - who stepped up during the school holidays and spent an entire moving shepherding the removalists who moved the P&C storage items from the undercroft to under the school, into a storage container. Our storage area has never been so tidy!!! -Our 50/50 raffle is ongoing – we hope to raise $25,000 – of which half will be kept by the winner, and half will go towards making our school better for our little people. At the start of July, we had sold around $1200 worth of tickets, but we do have some time to go. -Thank you to Cath who has stepped up to run the Fathers Day stall this year. Some thought is going into finding higher quality items, after feedback from parents, -Thank you to Amanda for taking on board the Parents Evening Trivia night - it's going to be an entertaining event, that's for sure! On the serious stuff: -We are very sad to be losing our wonderful Emma - who is stepping down as tuckshop convenor. But in true Emma style, she has stepped up to help us not only find a replacement, but also helping with the handover this week. Michelle Seymour – welcome to the new role, and thank you for taking this on!!! We also want to welcome a new addition to our tuckshop staff with Yaser Naseri joining our team. Welcome Yaser! -We will be discussing with the school this month the items of most importance to look at funding through the P&C and will bring those ideas to the meeting next month. -The P&C has won the $10k Cricket Grant applied for last month, and Kenmore Cricket has also offered to add $10K. We need a total of $40K for the upgrade. We are working with the school to try and find some additional funds through the Department of Education, and we will discuss the P&C donating some funds to the project. -As discussed last term, Tal would like to buy some soccer goals. We are discussing with the school how we fund those goals.
