RPSC ASSISTANT PROFESSOR (PAPER-I, UNIT-I: CONSTITUTIONAL LAW)

1: PREAMBLE – CONCEPT, FEATURES, OBJECTIVES, AMENDABILITY, AND ROLE IN CONSTITUTIONAL INTERPRETATION

Introduction

The Preamble to the Constitution of India serves as the foundational statement of the nation's values, objectives, and principles, encapsulating the essence of the constitutional framework. Often described as the "soul" of the Constitution, it outlines the aspirations of the Indian people and guides the interpretation of constitutional provisions. The Preamble is a critical topic, frequently tested in objective questions on its features, objectives, amendability, and judicial interpretations.

The Preamble's significance lies in its dual role as a guiding principle and a legal tool. It declares India as a **Sovereign, Socialist, Secular, Democratic Republic**, aiming to secure **Justice, Liberty, Equality, and Fraternity** for its citizens. Its amendability, debated in cases like Berubari Union (1960) and Kesavananda

Bharati (1973), and its interpretative role in resolving constitutional ambiguities make it a cornerstone of constitutional law. This part covers:

- **Concept and Features**: Historical context, structure, and philosophical foundations.
- **Objectives**: Detailed analysis of justice, liberty, equality, and fraternity.
- **Amendability**: Legal debates and judicial pronouncements.
- **Role in Constitutional Interpretation**: Judicial reliance on the Preamble.
- **PYQ Analysis**: Trends and question patterns.
- **Visual Aids**: Diagrams and tables for clarity.
- **Case Studies**: Landmark and recent cases, with Rajasthan context.

Concept and Features of the Preamble

Definition

The Preamble is the introductory statement to the Constitution of India, encapsulating its ideals, objectives, and basic structure. It serves as a preface, outlining the source of the Constitution's authority ("We, the People"), the nature of the Indian state, and its goals. Adopted on **November 26, 1949**, as part of the Constitution, it came into effect on **January 26, 1950**.

Historical Context

The Preamble was inspired by several sources:

- **Objective Resolution (1946)**: Moved by Jawaharlal Nehru, it outlined the principles of a sovereign, democratic republic with justice, liberty, equality, and fraternity.
- **American Constitution**: The phrase "We, the People" reflects the democratic ethos of popular sovereignty.
- **Irish Constitution**: Influenced the inclusion of socio-economic goals.
- **French Revolution**: Concepts of liberty, equality, and fraternity were drawn from French ideals.
- **Indian Context**: The Preamble reflects India's struggle for independence, aiming to address social inequalities, colonial legacies, and diversity.

The Drafting Committee, chaired by **Dr. B.R. Ambedkar**, finalized the Preamble after extensive debates in the Constituent Assembly, ensuring it captured India's unique socio-political aspirations.

Structure and Text

The Preamble, as amended by the **42nd Constitutional Amendment Act, 1976**, reads:

> WE, THE PEOPLE OF INDIA, having solemnly resolved to constitute India into a SOVEREIGN SOCIALIST SECULAR DEMOCRATIC REPUBLIC and to secure to all its citizens: JUSTICE, social, economic and political; LIBERTY of thought, expression,

belief, faith and worship; EQUALITY of status and of opportunity; and to promote among them all FRATERNITY assuring the dignity of the individual and the unity and integrity of the Nation; IN OUR CONSTITUENT ASSEMBLY this twenty-sixth day of November, 1949, do HEREBY ADOPT, ENACT AND GIVE TO OURSELVES THIS CONSTITUTION.

Features

- **Source of Authority**: "We, the People" signifies popular sovereignty, emphasizing that the Constitution derives its authority from the citizens.
- **Nature of the State**:
  - **Sovereign**: India is independent, free from external control, with authority over its internal and external affairs.
  - **Socialist**: Added by the 42nd Amendment (1976), it reflects a commitment to reducing socio-economic inequalities through democratic socialism (not state socialism).
  - **Secular**: Added by the 42nd Amendment, it ensures equal respect for all religions, with no state religion.
  - **Democratic**: India follows a representative democracy with universal adult suffrage.
  - **Republic**: The head of state (President) is elected, not hereditary.
- **Objectives**:

- **Justice**: Social (eliminating inequalities), economic (reducing wealth gaps), and political (equal access to governance).
- **Liberty**: Freedoms of thought, expression, belief, faith, and worship.
- **Equality**: Equal status and opportunity, eliminating discrimination.
- **Fraternity**: Promoting unity, dignity, and national integration.

- **Date of Adoption**: November 26, 1949, reflecting the Constituent Assembly's final act.
- **Legal Status**: The Preamble is part of the Constitution but not enforceable in courts, though it guides interpretation.

Philosophical Foundations

- **Liberalism**: Emphasizes liberty and equality, drawing from Western democratic ideals.
- **Socialism**: Reflects India's commitment to socio-economic justice, addressing caste, poverty, and inequality.
- **Gandhian Principles**: Fraternity and dignity align with Gandhi's vision of communal harmony.
- **Universalism**: The Preamble's goals are inclusive, applicable to India's diverse population.
- **Trend**: PYQs focus on the Preamble's text, amendments, and objectives. Recent questions emphasize specific terms (e.g., socialist, secular) and

their implications.

Objectives of the Preamble

Overview

The Preamble outlines four key objectives: **Justice, Liberty, Equality, and Fraternity**, which serve as the guiding principles for India's constitutional framework. These objectives reflect the Constituent Assembly's vision of a just, free, and inclusive society, addressing India's socio-economic and cultural challenges.

1. Justice

- **Types**:
  - **Social Justice**: Eliminating inequalities based on caste, gender, religion, or status. It aligns with Articles 15–17 (prohibition of discrimination, abolition of untouchability).
  - **Economic Justice**: Reducing wealth disparities and ensuring equitable resource distribution, reflected in

DPSPs (e.g., Article 39).

- **Political Justice**: Equal access to political processes, ensured by universal adult suffrage (Article 326) and equal representation.

- **Judicial Interpretation**:
- Indra Sawhney v. Union of India (1992): The Supreme Court upheld reservations as a tool for social justice but capped them at 50% to balance equality.
- **M.** Nagaraj v. Union of India (2006): Emphasized economic justice through creamy layer exclusion in promotions.

- **Relevance to Rajasthan**: Reservation policies for SC/ST/OBC in Rajasthan's educational institutions reflect social justice, addressing historical inequalities.

2. Liberty

- **Scope**: Includes freedoms of thought, expression, belief, faith, and worship, enshrined in Articles 19, 25–28.

- **Limits**: Reasonable restrictions under Article 19(2)–(6) (e.g., public order, morality).

- **Judicial Interpretation**:
- Maneka Gandhi v. Union of India (1978): Expanded liberty to include procedural fairness under Article 21.
- Shreya Singhal v. Union of India (2015): Struck

down Section 66A of the IT Act, protecting freedom of expression online.

- **Rajasthan Context**: Freedom of worship is critical in Rajasthan, with its diverse religious communities (e.g., Jainism, Islam).

3. Equality

- **Types**:
  - **Equality of Status**: Abolishing discrimination based on caste, religion, or gender (Articles 14–18).
  - **Equality of Opportunity**: Ensuring equal access to education, employment, and public services (e.g., Article 16).
- **Judicial Interpretation**:
  - State of Kerala v. N.M. Thomas (1976): Upheld affirmative action as compatible with equality.
  - Navtej Singh Johar v. Union of India (2018): Decriminalized homosexuality, promoting equality of status for the LGBTQ+ community.
- **Rajasthan Context**: Schemes like Rajasthan's Mukhyamantri Kanya Vivah Yojana promote gender equality by supporting women's education and marriage.

4. Fraternity

- **Meaning**: Promotes unity, individual dignity, and national integration, countering regionalism and communalism.

- **Constitutional Provisions**: Article 51A(e) (Fundamental Duty to promote harmony) reinforces fraternity.
- **Judicial Interpretation**:
  - **S.**R. Bommai v. Union of India (1994): Emphasized fraternity in preserving India's unity against divisive forces.
  - Prathvi Raj Chauhan v. Union of India (2020): Upheld the SC/ST Act, protecting marginalized groups' dignity.
- **Rajasthan Context**: Fraternity is vital in Rajasthan, where tribal communities (e.g., Bhils, Meenas) coexist with other groups, requiring social harmony.
- **Trend**: PYQs test the linkage between Preamble objectives and constitutional provisions, with recent focus on case laws (e.g., Navtej Johar).

Table: Objectives of the Preamble

Objective	Meaning	Constitutional Provisions	Landmark Cases
Justice	Social, economic, and political fairness	Articles 14–18, 39	Indra Sawhney v. Union of India (1992)
Liberty	Freedom of thought, expression, belief, faith, worship	Article 19, 25–28	Maneka Gandhi v. Union of India (1978)
Equality	Equal status and opportunity; rule of law	Articles 14–18	**E.**P. Royappa v. State of Tamil Nadu (1974)
Fraternity	Promoting unity and dignity of the individual	Article 51A(e), Fundamental Duties	**S.** R. Bommai v. Union of India (1994)

Amendability of the Preamble

Legal Debate

The question of whether the Preamble can be amended

under Article 368 (power to amend the Constitution) has been a subject of judicial and academic debate. Key issues include:

- **Is the Preamble part of the Constitution?**
- **Can amendments alter its core objectives or structure?**

Judicial Pronouncements

- **Berubari Union Case (1960)**:
  - **Facts**: The case involved the transfer of Berubari Union to Pakistan, raising questions about the Preamble's role.
  - **Judgment**: The Supreme Court held that the Preamble is not part of the Constitution and thus not enforceable. However, it serves as a key to understanding the Constitution's intent.
  - **Criticism**: This view was narrow, ignoring the Preamble's integral role.
- **Kesavananda Bharati v. State of Kerala (1973)**:
  - **Facts**: Challenged the 24th, 25th, and 29th Amendments, questioning the extent of Parliament's amending power.
  - **Judgment**: The Supreme Court overruled Berubari, holding that:
    - The Preamble is part of the Constitution.
    - It can be amended under Article 368, but amendments cannot alter the Constitution's **basic structure** (e.g., sovereignty, democracy, secularism).
