About this set

This is the Zenith Education **REET & REET Mains (RSSB 3rd Grade Teacher) Notes, Edition 2026–27**. Because REET (BSER eligibility test) and REET Mains (RSSB recruitment exam) share a large part of their syllabus, the set is built as **one library**: **Common** volumes serve both exams; **REET_Level1 / REET_Level2** volumes cover REET-specific subjects; **Mains_3rd_Grade** volumes cover the RSSB 2025 Mains syllabus (Educational Scenario, Psychology, IT, advanced school subjects); **Languages** volumes cover Hindi, English, Sanskrit, Punjabi and Urdu; and two separate **MCQ Books** hold the question practice. Every chapter opener shows exam/level tags, the official syllabus points covered, an Exam-Trend Radar and a Rajasthan Connect note.

Page totals (this edition)

- REET notes (Common + REET volumes): **2769** pages + language volumes **1148** pages (a candidate reads the two languages they chose).
- REET Mains notes (Mains volumes): **1566** pages + the shared Common volumes C1–C4 (**1496** pages) + Hindi/English/Sanskrit language volumes as per subject = **3062** pages before languages.
- **REET MCQ Book**: **2431** MCQs (410 pages) · Mains MCQ Book: **1853** MCQs (320 pages).

How this set is packaged

The library is delivered as **six self-contained ZIPs**, one per paper: **Zenith_REET_L1**, **Zenith_REET_L2_SST**, **Zenith_REET_L2_SciMaths**, **Zenith_REET_Mains_L1**, **Zenith_REET_Mains_L2_SST** and **Zenith_REET_Mains_L2_SciMaths**. Each ZIP contains this index, the official syllabus for that paper, every volume that paper needs (common modules, subject notes, language volumes where the paper has a language section) and its MCQ book. Each ZIP's README lists its own volumes. The table below lists the whole library.
