OFFICE OF THE GOVERNOR

California Agriculture Fair Season

I am honored to welcome you to the 2017 season of California's agricultural fairs.

The vibrant culture of livestock competitions, educational exhibits, exhilarating carnival rides and live performances is vitally important to this state. Each fair and fairground exhibit offers an important link to the agricultural community and to the California farmers and ranchers that are a part of this tradition. Every fair showcases a unique aspect of California and the local heritage through its events and activities.

Exhibits showcase local livestock, crops, artwork, baked goods, and arts-and-crafts year round. As a fair exhibitor, local citizens and visitors rely on your expertise to showcase the amazing resources that California provides.

Thank you for your participation and for playing a vital role in California's agricultural community.

Sincerely,

EDMUND G. BROWN JR.

CALIFORNIA DEPARTMENT OF
FOOD & AGRICULTURE

Karen Ross, Secretary

December 1, 2016

Here in California, it's always "fair season." It's just one of the many reasons our agricultural community is so fortunate to live and grow in a place so well-suited to what we do. A new year is just around the corner, and that means it's almost time to cut the ribbon on our 2017 season of California's agricultural fairs.

You make that happen. Each year, when the gate closes on the annual fair, our exhibitors set about creating their piece of the next one. In a way, it's a lot like being a farmer: even as we close the barn door on this year's harvest, we are thinking of the blank slate and the new opportunity that awaits us in the season to come.

Fairs and farms are tied together that way, as they always have been. Exhibits and shows, art and innovation, competitions and carnival rides, and my personal favorite: education. Fairs are perhaps our best chance to show-and-tell the story of farming to an audience that may not often think about what agriculture means beyond the pristine produce at the market. Thank you for the role you play in creating a fair full of fun, memorable, educational moments.

Each fair in our state has its own flavor, its own sense of place. The variety of our local fairs mirrors the variety of our state's agriculture, and it reminds us just how diverse and unique California's communities are. As you look forward to your exhibits for 2017, please know that I and our farmers and ranchers appreciate the creativity, innovation and effort that you bring to the fair.

Yours truly,

Karen Ross

Can ride in any class and earn points and experience.

BEGINNERS IN BEGINNER CLASS (#1 CAP ON SORTER)

Must sort with a #2 or above as their gate person.

HAVING TROUBLE UNDERSTANDING THE HANDICAP/RATING SYSTEM?

Call, Email or ask at the next show!

We want you to understand and enjoy this exciting sport. A quick explanation is below.

HOW DOES THE HANDICAP WORK WITH THE RATINGS?

A #1 and a #2 sort together – their team rating is a #3.

They enter the #12 so their handicap is now 9 seconds and that will add 9 seconds to their sort time over and above the 60 seconds everyone gets!

WHERE DO MY POINTS GO?

If you earn as a #1 in any class, your points will go towards your #1/beginner state and national points – same will go for the #2 rider on up.

WHAT HAPPENS TO YOUR POINTS WHEN YOU MOVE UP IN RATINGS?

Your points will go with you! #1 and 5 points that gets moved up to a #2 will move to the #2 division with 5 points so you have nothing to lose when you get re-rated!

WHEN IT SAYS MANDATORY DRESS CODE, WHAT IS REQUIREMENT?

Dress code – button up western shirt (short or long sleeve ok), cowboy hat or no hat (no baseball caps or visors)

WHERE DOES ONE PICK ONE DRAW MEAN?

Each time you enter a class, you must draw a partner one time – so if you enter for 1 picked partner, you must enter for 1 draw. This means you will pay and ride 2 times in that class.

This is a great way to meet new people and increase your partners!

WHERE DOES MAX 5 GOES MEAN?

You can enter each class a maximum of 5 times (one entry must be a draw).

COUNTRY RODEO RULES

IT IS THE RESPONSIBILITY OF CONTESTANTS TO KNOW THESE RULES. IF THERE ARE ANY QUESTIONS, CONSULT THE FLAGGER BEFORE THE EVENT BEGINS. TIMES WILL BE PROGRESSIVE AFTER HIGH TIMES HAVE BEEN ESTABLISHED IN THE CALF BRANDINGS, DOUBLE MUGGING, TEAM PENNING, MIXED RIBBON ROPING, CUT & ROPE, RANCH ROPE/BRAND, AND SORTING. STALL RENTAL IS \$40 PER STALL PER DAY.

Team Penning Draw: WCTPA Rules will be a guide. One and a half minute time limit. There will be one go-round and the top six teams will come back for the finals. Team Penning Finals will be held during the Country Rodeo on Saturday, July 29, 2017. Long sleeve shirts and western hats are to be worn in the finals. If one draw person gets hurt, we will draw in a member from the next fastest team for the rodeo. No spotting cattle.

Double Mugging: Roper will start at the opposite end of the arena that the steer is let out. Roper is to cross the time line and time will start once the steer is in the arena and the gate is closed. The mugger will then hold the steer while the roper frees the rope from the horse, dismounts, and ties any three legs. Steer must be standing on all four legs before mugged and tied. One Loop must go over the head of the steer. Roper has to tie three legs. Before getting off the horse, rope must be clean of the saddle horn. Roper must be the one who ties legs. Legs must remain tied for six seconds. Can rope once; mugging not limited. Must designate point run or will be first drawn position. Top six Steer Muggers will compete in the finals. Times will not carry forward from Country Rodeo. Draw will be made for working order. In the event an eligible contestant is not able to work in the finals, then the next best time will be used. Long sleeve shirts and western hats are to be worn in the finals.

Mixed Ribbon Roping: One lady and one man. Rider will rope a steer, once caught the runner will jerk the ribbon (or a piece of the ribbon) off the steer's tail and run it to the designated flagger for a time. Legal catch is the neck, one loop. Front leg is a five second penalty. Runner to remain in designated area until steer leaves the chute. One-minute time limit. Enter once only. Steer must be standing when ribbon is pulled. Top 6 teams compete in the Country Rodeo Finals Saturday, July 29, 2017.

Breakaway Roping: One lady will ride from the roping box and rope one calf. Loop must go around the head first and then catch as catch can. The rope must be attached to the saddle horn in such a manner as to allow the rope to be released from the horn when the calf hits the end of the rope. A flag must be attached to the rope at the saddle horn so the flagger can tell when the rope breaks from the horn. This will be the contestant's responsibility. One loop - gate open.

Calf Tie Down: One man will ride out of the roping box and rope a calf. Two loops allowed if contestant is carrying two ropes. No loops can be rebuilt. After roping the calf, contestant will dismount and throw the calf, cross and tie any three legs. Time will be called when contestant raises arms. Calf must remain tied for six seconds. Six second time will start when roper has mounted and his horse has stepped forward to slacken the rope. Calf must be standing when thrown. One-minute time limit. Jerk down rule applies. If the horse drags the calf more than 12 feet from the time the roper dismounts until he remounts, he will be disqualified.

Barrel Race: Format of the NBHA 4D System will be used as a guideline. Example: The fastest time. The second division is the fastest time plus .5 seconds. The third division is the fastest time plus 1 second. The fourth division is the fastest time plus 2

seconds. Any level of barrel racer has a chance to win. Depending on number of entries, may pay two monies per category. Top 6 finishers compete in the Country Rodeo Finals on Saturday, July 30, 2016.

Calf Branding - Draw: Four contestants to a team. Two ropers must switch with ground crew to rope 2nd calf. Front leg legal, must be headed then heeled. Time will be called after two calves have been roped and branded. Ground crew cannot leave designated area until ropes are tight. Rope must be off calf before 2nd one roped. Four-minute time limit. Unnecessary roughness is cause for disqualification.

Match Calf Branding - Open: Four contestants to a team. Each contestant must rope two calves and switch. Front leg legal, must be headed then heeled. Ground crew cannot leave designated area until ropes are tight. Rope must be off calf before 2nd one roped. 35% out for cattle, winner take all, 2nd place gets entry fee back.

Calf Branding - Ladies, Juniors, and Two over Sixty/Under #4: Two contestants to a team assisted by a ground crew. The ropers will rope two calves and will not change positions with the ground crew. Four-minute time limit. Juniors one calf.

Cut & Rope: Two contestants will ride into a herd of ten numbered cattle and cut out an assigned number. Assigned number must be driven between barrels, headed then heeled. No other animals can cross before designated animal. Can be heeled on either side of barrels. Three loops any way. Neck or front leg. Rope in the mouth is a no time. No horns. Front leg is plus 5 seconds. One roper a #5 or under and one roper over a #5, or two under #5 (head or heels). Must use highest number.

Steer Stopping: Rider at opposite end, ropes steer out of chute. Flag drops as rider crosses line and chute opens. Time will stop when steer and horse are facing each other with both steer and horse on all four feet and rope is tight. One loop only. Legal head catches: 1/2 head, neck around horns, one front leg is plus 5 seconds.

Draw Sorting: Four-man team. Sort out in number drawn order. One and a half minute time limit. Time stops when 10th steer crosses the line. Out of number sequence is a no time. Progressive after times are established. Tie broken by 1 steer sort - fastest time. No spotting animals.

Ranch Rope & Brand: Four-man team, all on horseback. Cut numbered steer out of herd drive through barrels - head and heel - neck or 1/2 head - no horns - one front leg is legal- 2 over/#5, 2 under/#5 - must use highest number. One loop per roper, four loops total. Herd can't go over the line before designated number. When calf is roped, ground crew gets off their horses, fix ropes and brand calf on designated side. Branding iron can't leave the pot until ropes are tight. Time stops when iron is back in pot. Top 6 teams compete in Saturday Rodeo Performance.

Rules for Exhibitors

1. The age of an exhibitor on January 1 shall be maintained through the calendar year. Amateur Definition: a person who does not give riding lessons and/or ride, train, or show horses for money or assist the spouse or immediate family in this activity. This includes a person under the age of 18 years.

a. The management reserves the right to question anyone’s amateur standing if the question of status has been presented with reasonable cause. The decision of the horse show management shall be final.

Separate legal entities, such as family corporations, trusts, or partnerships, are also authorized owners of the youth exhibitor’s horse so long as all legal and equitable owners and beneficiaries of the legal entity are individuals specifically authorized by this rule. “Owned” means, in addition to other legitimate methods of acquiring ownership, the bona fide legal ownership obtained for adequate consideration in reasonable relationship with the actual market value of the horse.

10. Horse projects must be owned or leased by and under the exhibitor’s care and management and under the supervision of the organization in which the project will be shown 120 consecutive days prior to the opening day of fair or event/show if held separate from fair. b. For owned horses, proof of ownership must be available at check in.

c. For leased horses, the lease, signed by the owner and the 4-H, FFA, Grange or Independent exhibitor, and a clear picture of a side view of the horse or some permanent identification must be filed at least 120 consecu-

All other requirements for exhibiting must be met.

19. Animals owned jointly by a director and his/her minor child or a CEO and his/her minor child are considered as owned by the child in junior division classes only.

20. Show Manager reserves the right to return entries, transfer entries or combine divisions or classes, and/or cancel any division or class in which, in its judgment, the entries are insufficient to secure adequate competition.

- a. Any return of entries under this rule must be done on a nondiscriminatory basis.
- b. The horse show management must divide classes of 50 or more. Separate prize money and ribbons shall be provided for each class.

21. Horse show management shall assign a number to each horse. The exhibitor must wear the number when showing the horse.

However, if the fair receives any complaint or challenge concerning the registration of any animal, the fair may request an original registration certificate and may disqualify the entry if it cannot be produced.

Awards

23. Fair Management may withhold the payment of awards for exhibits which are in question under State and Local Rules and may recover awards that have been paid for exhibits in question.

24. For ties other than first place in a jumper or other individually worked competition, the prize money is split. Ties for first follow the jump off rules of the specific Table and Section for that jumper class. If there is still a tie, prize money is split between the winners (i.e. first and second place money is pooled and split evenly between the two riders). Distribution of non-money awards shall be determined by management.

Judges

25. The judge may judge for conformation before entering the show ring.

26. In halter horse classes, judges shall be expected to give reasons for their decisions, embracing the value and desirable qualifications of the animals for which premiums are awarded, whenever possible and reasonable.

EQUINE HEALTH RULES

2. Exhibitors who refuse to allow their animal to be examined shall be disqualified from showing and such violation shall be reported to F&E. No refund can be made in these cases.

Nine permissible medications (dexamethasone, diclofenic acid, firocoxib, flunixin, ketoprofen, meclufenamic acid, methocarbamol, naproxen, and phenylbutazone) are restricted to therapeutic usage as prescribed or administered by a licensed veterinarian, and test-sample levels detected must be in compliance with plasma or urine levels associated with limited dosing*. Additionally, the detection of more than one Non-steroidal anti-inflammatory drug in either a blood or urine sample is a violation of California rules. Maintaining a current listing of specific prohibited substances is impossible due to the continual introduction of new pharmaceuticals, discontinuation of old ones, off labeled prescription of human products, and utilization of foreign products. Additionally, some exemptions exist.

*Specific information is contained in the "EMMP Medication Guidelines Brochure" found at

http://www.cdffa.ca.gov/ahfs/Animal_Health/emmp/ or may be requested from CDFA/EMMP at 916-900-5045.

c. Horses must be withdrawn from competition for at least 24 hours after administration of a prohibited substance. A drug declaration form must be filed with an event manager for administration of any prohibited substance three (3) days before the event, to any horse entered in the event. Penalties for violations of the medication rules include fines, suspension, and forfeiture of all winnings.

3. Horse Protection Act
