

LIVESTOCK SHOW NEWSLETTER

VOLUME 1 ISSUE 3

March 13, 2018

We hope you all are enjoying the shot of rain we are getting here in San Luis Obispo County, we at the fairgrounds sure are! We are so elated to hear of everyone's excitement surrounding the New Market Turkey Show, we understand your concern with purchasing the correct breed at the correct time, Turkeys should be hatched on or after March 14th, 2018. They should be white or brown broad breasted birds, both varieties will be show together and will be sorted by gender, then weight. Each exhibitor (9 years of age and older as of January 1, 2018) will be permitted to exhibit 2 birds, of any gender. Only the top 2 hens and top 2 toms will be eligible for the Junior Livestock Auction on July 28th, 2018. We will be releasing our complete competition handbook on April 1st, 2018 further detail on project requirements can be found there.

Need to Purchase your lambs or hogs still? Fear not, there are two great sales being hosted at the Paso Robles Event Center this month! Mark your calendars for Saturday March 24th for the Spring Spectacular Hog Sale, and the SLO Bred Sheep Sale, see attached Flyers for more details!
