**Location Address:**

33 Quality Avenue  
Somers, Connecticut 06071

**Facility ID:** 129-001

**Permit ID:** CT0101605

**Permit Modification Expires:** July 4, 2011

This minor permit modification is issued in accordance with section 22a-430 of Chapter 446k, Connecticut General Statutes ([CGS]), section 22a-430-4(p)(5) of the Regulations of Connecticut State Agencies ([RCSA]) adopted thereunder, as amended, and Section 402(b) of the Clean Water Act, as amended 33 USC 1251, *et. seq.*, and pursuant to an approval dated September 26, 1973, by the Administrator of the United States Environmental Protection Agency for the State of Connecticut to administer a N.P.D.E.S. permit program.

Town of Somers, (“Permittee”), shall comply with all conditions of Permit No. CT0101605 issued on July 5, 2006 with the following modification:

Correct a typographical error by replacing the phrase “modification is ” in Section 1 paragraph (A) of the issued permit with the phase “is reissued”. This permit is not a modification but a reissuance as identified in the May 22, 2006 public notice of tentative determination for intent to renew a NPDES permit.

To be consistent with the five-year time frame for a reissued permit as corrected above, the date of expiration on the first page of the permit is corrected from March 17, 2008 to July 4, 2011 since the date of issuance of this permit was July 5, 2006.

The Commissioner reserves the right to make appropriate revisions to the permit in order to establish any appropriate effluent limitations, schedules of compliance, or other provisions, which may be authorized under the Clean Water Act or the Connecticut General Statutes or regulations, adopted thereunder, as amended. The permit as modified or renewed under this paragraph may also contain any other requirements of the Clean Water Act or Connecticut General Statutes or regulations adopted thereunder which are then applicable.

This minor modification is hereby issued on the 9/14/06
