

This site plan is for simple outdoor dining spaces located within the parking lane or on private property. Any overhead structures (other than tents or canopies) and/or any dining areas >30" off the ground cannot use this site plan form -- they require engineer-approved drawings and plans. Any tents >400 sq ft or canopies >700 sq ft require an additional permit from the Fire Department. More info at www.cityofsanrafael.org/COVID-outdoor-dining
