What a Busy Term!

This has been a great Spring Term at Redesdale with so many activities taking place for all our children. We would like to take this opportunity to thank parents and families again for all your support in the activities and events. We hope you will be able to join us in the Summer Term activities and events as well.

Mrs Nichol

We wish Mrs Nichol all the best for the future as she leaves our school this week and know she will continue to make a big difference in children's lives. Mrs Nichol has been a valued member of our school team for a long time and she will be greatly missed for the support and enthusiasm she gives to all our children.

Fundraising

Thank you to all the children, staff and parents for taking part in Red Nose Day. We had a great day and the children looked fantastic! You have all helped to raise £215.50 for this worthwhile cause and had fun at the same time.

Back in February the whole school took part in the 'Newcastle United Foundation Golden Shot Event' to raise funds for school. Sponsorship money is now all in and the final figure raised is £2589.00. This is an amazing amount and will go towards buying a new class set of iPads. Thank you to everyone who supported the children.

The Scholastic Book Fair was also very popular with everyone using their World Book Day vouchers to buy some lovely books. Thank you to everyone who helped to sell the books and to all of you who bought a book. We made £505.07, from which we receive a percentage, which will go to buy new books for school. Well done everyone.

Easter Holidays

We hope you have a lovely Easter Holiday and would like to remind you that the children come back to school on **Monday 24th April.**

Governors

Our Full Governing Body met on Wednesday 5th April to discuss school business and ratify a number of policies which are now on the Redesdale website. Governors regularly visit school to support on trips, take part in 'Learning Walks' around school and meet with staff to discuss the subject they co-ordinate as well as attending a range of meetings.

The Governing Body are responsible for the strategic management of Redesdale Primary School and make decisions about a wide range of issues to ensure your child gets the best possible education.
