Hello's and Goodbye's

Just before the half term holiday we said 'Au Revoir' to Elham Mhamdi, who was supporting our children with their French speaking skills, as she has returned to France to train to be a teacher. We also said goodbye to Mrs Ko who has worked in our school for a long time as she has decided to spend more time with her family and enjoy her retirement. We wish them all the best for the future and hope they will keep in touch with us to let us know how they are getting on. Time has also flown so quickly this year as we welcomed Mrs Simmons back from her maternity leave this week.

Sainsbury's Active Kid's Vouchers

A huge thank you to everyone for your support in collecting the Sainsbury's Active Kids vouchers for 2017. We have collected our highest total ever of **6518** vouchers which will be used to purchase new equipment including tennis nets and tennis balls, stop watches and jumbo magnifying glasses.

International Visitors

On Tuesday we had some special visitors who came all the way from Shenzhen in China to experience schools in North Tyneside. The children from Gangxia Primary School demonstrated their 'Kung-Fu' skills to the whole school and presented us with their school flag and some lovely gifts. The children have been working with Year 5 this week on a range of activities and have also had days out to Whitehouse Farm, Newcastle City Centre, The Baltic & Sage and Edinburgh. We will be having a farewell meal with all the visitors on Monday evening and would like to thank everyone for making our international friends from China feel so welcome.
