A big 'Thank You' - Macmillan Coffee Morning

We would like to thank everyone who contributed to the Macmillan Coffee Morning by either dressing in green or making, donating and buying cakes: there was certainly plenty of cake for everyone. It has been a great day and we will let you know as soon as possible, how much we have raised to support the wonderful work of the Macmillan nurses: Well done and thank you!

Yard safety

A reminder for children, parents and carers that when children are bringing bikes or scooters to school they should 'dismount' as they come through the school gates to avoid any accidents. The area by the yard gate and Foundation Stage entrance is extremely busy with young children, so extra caution is needed please.

Please remember that children playing unsupervised on the **Trim Trail, Tyre Park or Play Ship** before and after school do so at their own risk. We would not want any child to hurt themselves so please supervise your children at all times when they are playing on the equipment.

All children should be encouraged to line up ready for the start of the school day. Thank you.

Pirates Fun Day

On Thursday 6th October, Catering Services have planned a fun **'Pirates Day'** with a special themed menu and fun activities throughout lunchtime including a pirate themed activity sheet and pirate hats. Your child can dress up as a pirate for the day if they wish and join in with the swashbuckling fun (ARRRR!). Meals for children in Key Stage 1 are free of charge. For all other children, not entitled to free school meals, the cost of a school lunch is £2.10 per day.

Please pay online at www.joinos.com

Nursery & Year 6 applications

All our Nursery and Year 6 parents should have received a letter explaining how to apply for your child to start Reception or Secondary School in September 2017. It is always advisable to do this as soon as possible to avoid it being forgotten about and also avoid any delays in your child being offered a place.
