End-User License Agreement for Preview Version of 4Layer Modeler Software

This End-User License Agreement ("EULA") is a legal agreement between 4-Layer Simulations LLC ("4-Layer") and you. This EULA applies to the Preview Version of the software supplied by 4-Layer named 4Layer Modeler ("the Software") and its use. By using all or any portion of the Software you accept all the terms and conditions of this EULA. Downloading and/or installing the Software is considered use of the Software. If you do not agree to the terms of this EULA, you must not use the Software or any part of it.

Grant of License:

This EULA grants a license ("the License") which permits you to use the Software in accordance with the terms of this Licence. The License is non-exclusive and non-transferable. The License is limited. The License does not grant any rights to obtaining any future releases, versions, updates, or upgrades of the Software.

You are limited to using the Software only during a preview time period as established by 4-Layer. Your rights may be further limited by terms supplied with the preview copy. Thereafter, you do not have any right to use the preview version of the Software. 4-Layer reserves the right to start or end a preview time period at any time, without liability to you and with or without notice.

Copyright:

Copyright, intellectual rights, or proprietary rights vesting in the Software and to any copies that you make are owned by 4-Layer.

All rights not specifically granted in this EULA are reserved by 4-Layer. No rights to use the Software shall be implied and are expressly excluded.

Restrictions:

You agree that your use of the Software is restricted to the intended use of the Software, as described in user guides or product literature, which is to construct and edit network models using the graphical interface provided by the Software and store, import, or export network models using the features provided by the interface of the Software.

You agree not to distribute, transfer, assign, license, sublicense, sell, rent, lease, loan, or lend the Software to any third party. You agree not to share the use of the Software with any third party.

You agree not to attempt to make any extension, modification, reduction, improvement, or derivative work of the Software. You agree not to reverse engineer or disassemble the Software. You agree not to attempt to convert the Software or any part of it to a more readable form or to other computer program languages.

You agree that the Software, or any part of it, may not be used to create or form a part of any service, tool, or product which competes with 4-Layer or operates as a replacement for the Software.

You agree that the use of the Software is limited to your own use on a personal computing device. You agree that the Software may not be installed or configured to run as a shared resource for more than one user to use in a multi-tenant fashion.

Warranties:

4-Layer gives no warranty to the maximum extent permitted by applicable law.

4-Layer gives no warranty that the Software operates error free.

4-Layer provides the Software "AS IS AND AS AVAILABLE AND WITH ALL FAULTS" to the maximum extent permitted by applicable law, without warranty of any kind, either expressed or implied, including, but not limited to, the implied warranties of merchantability and fitness for a particular purpose.

4-Layer gives no warranty that defects or errors in the Software will be corrected.

Liability:

4-Layer shall not be liable to you or to any third party for any loss of or corruption to data.

4-Layer shall not be liable to you or to any third party for any direct or indirect loss of business, loss of profits, loss of revenue, loss of possible or potential savings, business interruption or the like.

4-Layer shall not be liable to you or to any third party for any general, indirect, incidental, special, or consequential loss or damage arising out of the use of or inability to use the Software.

Notwithstanding any damages that you might incur for any reason whatsoever, the entire liability of 4-Layer arising from or related to this EULA shall be limited to the amount paid by you to licence the Software.

Modifications:

4-Layer reserves the right to suspend, discontinue, or reinstate the provision of the Software, without liability to you and with or without notice.

4-Layer reserves the right to replace the Software and/or the model file formats of the Software at any time with newer versions that are or are not backwards compatible, without liability to you and with or without notice.

4-Layer reserves the right to limit the size of network models that can be constructed by the Software in terms of bounds on the number of each type of network model element in a model. 4-Layer reserves the right to modify the bounds at any time without liability to you and with or without notice.

4-Layer reserves the right to suspend, reinstate, discontinue, modify, or update any cloud-based service provided by 4-Layer that uses model files created by the Software, without liability to you and with or without notice.

4-Layer reserves the right to replace any cloud-based service provided by 4-Layer that uses model files created by the Software at any time with newer versions that are or are not backwards compatible, without liability to you and with or without notice.

Third Party Licences:

The Software may make use of third party software. Third party software included in the Software may be subject to third party licenses. You hereby agree to the terms and conditions for such third party software that are included with the Software.

Termination:

4-Layer may terminate this EULA without notice if you fail to comply with any of the terms and conditions of the EULA.

Additional Conditions:

You do not acquire ownership of the Software, any product literature, or user guides.

If any provision of this EULA is held to be void, invalid, unenforceable or illegal, the other provisions shall continue in full force and effect.

The relationship of the parties is that of licensor and licensee.

All notices to 4-Layer shall be in writing and shall be sent by registered mail to the Resident Agent of 4-Level Simulations LLC in the Commonwealth of Massachusetts, United States of America.

This EULA and any disputes arising from or connected to this EULA, including non-contractual disputes, are subject to the laws of the Commonwealth of Massachusetts.

Disputes relating to the Licence, including non-contractual claims, shall be decided exclusively by courts in the Commonwealth of Massachusetts.

4-Layer is permitted to reference you as a licensee of the Software on web sites or in product literature owned by 4-Layer, in public and/or private funding or grant applications, in presentations to clients, and at trade events.

This EULA is the entire agreement between you and 4-Layer relating to the Software.
