Dear Mr. Capate,

This has reference to your email requesting PCAARRD for data/information on organic farming in relation to your thesis.

For a more comprehensive data/information on organic agriculture, may we refer you to the Department of Agriculture (DA). The DA has an standing program on organic agriculture (National Organic Agriculture Program or NOAP). You can research this by simply typing on the google search field national organic agriculture in the Philippines. You may also wish to visit DA website: www.da.gov.ph or email webteam.da@gmail.com.

Hope this helps.

Thanks.
Mon
