Good Day,

I am Carl Bryan Bongalbal, a 5th year architecture student from Polytechnic University of the Philippines. I would like to request for detailed road maps of the following:

1. Skyway Stage 3 (at least on certain sections 2A and 2A1)
2. NLEX-SLEX Connector Road (at least on the end segment at PUP Sta. Mesa)
3. The connection between the two elevated roads

It is for the purpose of my thesis about a proposed transport infrastructure which will be built on the former Pandacan Oil Depot site.

Thank You!
