

20 July 2017

EMMELINE L. VERZOSA

Executive Director
Philippine Commission on Women
1145 J.P. Laurel St., San Miguel, Manila

Dear Executive Director Verzosa,

Greetings!

This is relation to my earlier request dated 06 July 2017 for gender responsive budgeting related documents from your good office. I fully understand the government process in relation to the release of documents thus, I am sending again my request through your eFOI portal.

In this regard, I would like to request for copies of the actual agency submissions of GAD Plan and Budgets, and GAD Accomplishment Reports from 2005 to 2015 (or prior years if available). If only limited agencies can be requested, I would like to ask for the submissions of social sector (DEPED, DSWD, DOH, CHED, TESDA) and economic sector (DOLE, DTI, DA, DOST, DENR, NEDA) agencies. I would also like to request for the previous year's GAD Budget Policy Compliance Report that your office annually prepares (December 2016 report has already been shared with me). Furthermore, I would also like to request if your office have available unpublished studies or conference materials/documents, particularly, discussing among others, the facilitating and hindering factors of GRB implementation.

I highly appreciate receiving your favorable action on my request. I would also like to ask favor if it is possible for the electronic

copies of the requested documents be sent to my email account since I am already scheduled to return to Korea at EWHA Womans University on July 21, 2017.

Thank you very much for your assistance and best regards.

Very truly yours,

Mayanne E. Flores
