To whom it may concern,

Good day! I am Jennifer Jove, a fifth year student from Mapua University, currently researching on ecotourism development. I would like to request for the following data for architectural thesis purposes:

- List of protected areas for ecotourism
- Potential sites for ecotourism and their existing communities
- Project proposals for ecotourism development
- Any other information regarding future/present ecotourism development

My contact information is available below for clarifications. Your urgent feedback would be highly appreciated. All the information taken will be treated with utmost confidentiality and will be solely used for academic purposes only.

I would appreciate very much whatever assistance you can extend in this regard. Thank you very much.

Sincerely,

Jennifer B. Jove
Architecture Student
