Subject: Clean air
Date: Wednesday, April 25, 2018 6:51:16 AM

Alyssa,

We live on the Mesa in Nipomo. We believe the proposed abatement is not good enough. Please, please our health and way of life is on the line here. We live here!! We need cleaner air. This is simple. Please direct the immediate closing of the most emissive 200 acres now. Please order that the 200 acres be fully vegetated by September 1, 2018.

Corey and Marsha Pace
