Subject: Keep the dunes open!
Date: Thursday, April 19, 2018 12:27:17 AM

The fight to close the dunes is based on lies. It always has been. The people that want the OHV area closed will never stop until they get their way. It has nothing to do with dust or birds or plants or noise or whatever the next tactic is. It is all about control. Are we really going to let a small group of activists determine the fate of the dunes just because they screamed the loudest? Come on! Hundreds of thousands of people want the dunes open and a few hundred want them closed. Do the right thing!
