Subject: Proposed Draft Stipulated Abatement Order and Petition Number 17-01
Date: Thursday, March 22, 2018 4:25:20 PM

STOP CLOSING OHV AREA. OPEN MORE OHV AREA. We all know that the off-roaders is not the majority of the problem - the major contributing factor is that a developer was allowed to remove all the trees which acted as a natural barrier. Further we know that the APCD is not releasing all the information - they are in fact withholding pertinent information from studies because it would prove that the OHV Area is not the problem. JUST STOP!!!
