Subject: I love Pismo Sand Dunes
Date: Tuesday, March 20, 2018 4:51:31 PM

I have been reading a lot of evidence that shows the fight to close the dunes is not a fair fight. The people in favor of closing the dunes have an agenda that favors the developers. They believe there is big money in closing the dunes when in fact it has been proven that the dunes produce big money.

Keep the dunes open.

Keep the local economy alive.

Thanks for listening

Jack
